

The Board of Trustees will be answering a frequently asked question in each Spotlight. Please forward any questions you may have to the Secretary of the Board and we will try to answer as many as possible.

Commonly Asked Questions About Our Campus:

Q. IS OUR RETIREMENT CAMPUS “MASONIC”?

A. This is a complicated question to answer, as what makes something Masonic, is the real question. The Campus was envisioned by a Past Grand Worthy Matron of the Order of Eastern Star, Mary Barry and a Master Mason, Robert Russell who donated the land. When the Campus had some control issues, it was the Grand Lodge of Colorado and the Grand Chapter of the Order of Eastern Star that came together to save the Campus, for not only for those people who reside in it then, but for others yet to be born.

Currently, all the Board of Trustees have Masonic affiliation and about a third of our residents hold Masonic affiliation. So in short, our Campus was envisioned by, has had several significant donations by, and run by Masonic Family members, so I would argue that makes our campus Masonic.
