Love is doing more for another than for self. Love is encouraging and supportive. Love is patient. Love is kindness for one another. Love is help and laughter too. Love is appreciating all you do. Love is sharing interests. Love is comfort. Love is always there. Love is meant to be shared. Love is beauty in the eyes of the beholder. Love is showing that you care. Love is you and all you do. Happy Valentine's Day to YOU!!!</p>
