A NOTE FROM OUR DIRECTOR

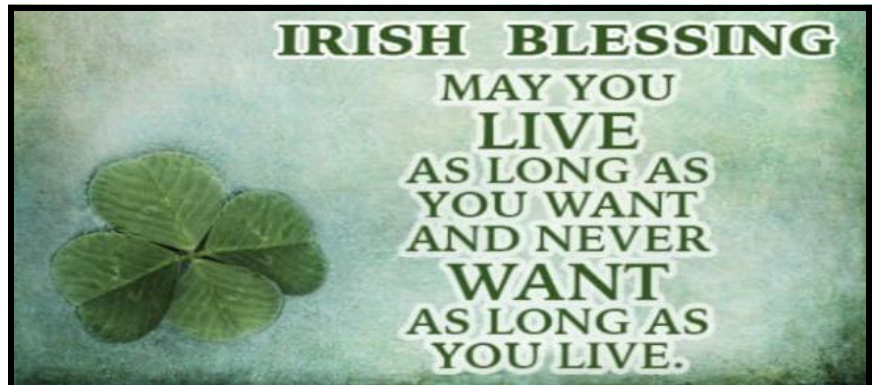

I thought we were done with Winter but, looking outside says otherwise. Thankfully we only have one month left. The good news is that the first day of spring is on March 20th. We are all looking forward to the warmer weather and spending some more time outside! We have a lot of fun outings this month in March such as The Tour of Ireland, a relaxing Spa Day and to celebrate St. Patrick's day we will have a special happy hour featuring "Green Beer!" So please join us for our armchair travels to Ireland and all the fun that has to offer! Also, be a part of the spirit day and wear your pajama's for our dress up day.

I want to give a special thanks to our angel of the month Maggie Thornberry. Please give Maggie a big thank you. She is our Med Tech in BCD and she does a great job here at Moran Vista.

I continue to encourage all residents to check out our Facebook site as we are constantly adding new photos of all the fun events here at our community.

Remember think positive and have a happy Spring everyone! All that we are is the result of what we thought.

Blessings,
Andrew Steighner

Resident Spotlight ~ Val H.

Val moved here from Arizona. She loved living in Arizona but she wanted to be close to her family who lives in Washington. She worked as a head secretary at First Interstate bank and retired from that in 1988. She will tell you wishfully "I wish I would have worked about five years longer before I retired."

Val loves to be busy. She likes people and being on the go. She doesn't plan on being bored just because she is retired!

**We are glad to have you here
Val!**

MORAN VISTA
SENIOR LIVING

We would like to share some great news. Senior Advisor.com recently ranked Moran Vista Senior Living as the best assisted living facilities in Spokane! Out of 200,000 separate care centers they chose 45,000 to win awards all over Canada and the US and we were voted as the best in Spokane and the only community to win anything in Spokane. We received a plaque it is located at the front office area to celebrate the award!

I want to give a very special thank you to all of our wonderful team here at Moran Vista that do such a great job.
