Residents of the Month Charles & Ruth Wommack

Congratulations to our March Residents of the Month and Valentine Sweethearts, Charles and Ruth Wommack!

Texas Natives Charles and Ruth Wommack were married in Littlefield, Texas, on May 16, 1953. Ruth says that the first time she saw Charles, she knew that he was the one! She must have been right since they have been happily married for 65 years.

A few years after beginning their married life in Lubbock, Texas, Charles and Ruth moved to Natchitoches, Louisiana, where they raised their three girls, Ellen, Ann, and Leigh. Both retired from education fields; Charles as department head of the Industrial Education Department at Northwestern State University, and Ruth as a librarian with the Natchitoches Parish School Board. After retirement they pursued their interest in Antiques. They enjoyed buying and selling pottery and other antiques and made many new friends as they attended antique shows in the Shreveport and Dallas areas.

Probably the happiest events of their lives were the births of their two wonderful granddaughters, Lauren and Claire. When Charles and Ruth moved to Shreveport in about 2001, they were able to spend lots of time with them as they were growing up. And how fast did they grow up! They both now live and work in New Orleans.

Charles and Ruth moved to their new home at Azalea Estates last June. They are enjoying being a part of the community thanks to the dedicated and caring staff and the friendly residents.

Congratulations again Charles & Ruth, we are so glad you chose Azalea Estates!
