

Planning Your St. Paddy's Day

As the cold weather retreats in preparation for spring, the month of March makes itself known with the blooming of flowers and the budding of leaves. You might even come across a four-leaf clover - reminding you that Saint Patrick's Day is just around the corner. If you're already green with excitement and looking for ways to get involved in the Irish holiday, here are some Life Enrichment programs we offer that are sure to get you in the spirit.

Get Inspired with Inspirations!

When it first began in the 17th century, Saint Patrick's Day was a time for Irish-Christian families to celebrate the arrival of Christianity in Ireland. Today, the holiday has

branched out all across the globe; encouraging everyone to partake in a day of embracing Irish culture. If you're someone who is interested in the spiritual side of Saint Patrick's Day, you'll love our *Inspirations* programs. Offered on a weekly basis, we encourage our community to attend worship services, Bible studies, meditations, tranquility programs, sing hymns, share life stories, and more. Much like Saint Patrick's Day, regardless of your religious background, there's something here for everyone to enjoy.

Celebrate with a Happy Hour!

If you've ever been to a Saint Paddy's Day parade, you know that people come for the party as much as they do

the floats. At our campus, you can celebrate the holiday in style during our *Happy Hour!* Every Friday afternoon between 3:00 and 5:00 p.m., you can sip on your favorite beverage, enjoy snacks, and mingle with friends. It's the perfect way to celebrate Saint Patrick's Day, and an even better way to end a week.

Get crafting!

Create pieces of art to match the beauty of Ireland with our *Artisans* program! We'll provide all the supplies you'll need to craft anything from popsicle stick leprechaun magnets to crepe paper shamrocks. The only thing you'll need to bring is a creative mind!

Executive Director Corner

We hope you've seen our new bus at the campus or traveling

around town. We are so excited to have improved transportation for our residents to enjoy! And with all the snow and surviving the Polar Vortex we are all eagerly awaiting spring that officially begins March 20th! March also begins our semi-annual Customer Satisfaction Survey (CSS) process. This year CSS surveys are scheduled to be mailed out from the home office on March 8th and each resident or the resident's designated family member will receive the confidential survey from Trilogy directly. We ask for feedback on areas of service with a scoring grid of 1-10, with 10 being the best. As noted on the survey, a "10" doesn't mean we are perfect – it means we are meeting your expectations. If we are not meeting your expectations in any area, please don't wait for our survey process. Contact us immediately

and we will work to implement corrective actions.

We encourage every resident or family member to complete and return the survey. We know satisfied customers often don't complete surveys; if you are satisfied we hope to hear from EACH of you by completing the survey in March. We value your opinion!

As you reflect on the past six months of service, I hope you will see that our staff have worked hard to meet your family member's needs. They have gone the extra mile to be at work this winter to ensure your loved ones were cared for, had warm meals, a clean environment and had the best care our team could provide. It didn't matter if it was snowing heavily or was -17 below actual temp with wind chills of -40, they were here compassionately serving our residents!

Happy St. Patrick's Day!

A Note from Erin

With the arrival of spring on March 20 comes all the holidays and traditions associated

with the end of winter. There are religious traditions like Passover, Easter, and the Persian New Year! All of these celebrations share an important symbol: the egg! March is Eggs-tra Lucky! We will have games and crafts that will be all about the egg! Thumbprint Egg Journals, Scrambled Eggs Game, and Egg-Citing Potato Stamping are just a few that you will see on the Activities Calendar! On the 20th we will get out for lunch at the Broken Egg Café that is near Purdue's Campus! Be sure to sign up for it today!

On March 21st, we will host a Family Game Night! Be sure to remind your family and friends! Bring a game if you would like! We cannot forget about St. Patrick's Day! On the March calendar, you will see things like Lucky Mint Bark, St. Patty's Day Fruit Salad and even a few games of Penny Ante! Good Luck! And Happy Spring!
