

## Planning Your St. Paddy's Day

As the cold weather retreats in preparation for spring, the month of March makes itself known with the blooming of flowers and the budding of leaves. You might even come across a four-leaf clover - reminding you that Saint Patrick's Day is just around the corner. If you're already green with excitement and looking for ways to get involved in the Irish holiday, here are some Life Enrichment programs we offer that are sure to get you in the spirit.

### **Get Inspired with Inspirations!**

When it first began in the 17th century, Saint Patrick's Day was a time for Irish-Christian families to celebrate the arrival of Christianity in Ireland. Today, the holiday has

branched out all across the globe; encouraging everyone to partake in a day of embracing Irish culture. If you're someone who is interested in the spiritual side of Saint Patrick's Day, you'll love our *Inspirations* programs. Offered on a weekly basis, we encourage our community to attend worship services, Bible studies, meditations, tranquility programs, sing hymns, share life stories, and more. Much like Saint Patrick's Day, regardless of your religious background, there's something here for everyone to enjoy.

### **Celebrate with a Happy Hour!**

If you've ever been to a Saint Paddy's Day parade, you know that people come for the party as much as they do

the floats. At our campus, you can celebrate the holiday in style during our *Happy Hour!* Every Friday afternoon between 3:00 and 5:00 p.m., you can sip on your favorite beverage, enjoy snacks, and mingle with friends. It's the perfect way to celebrate Saint Patrick's Day, and an even better way to end a week.

### **Get crafting!**

Create pieces of art to match the beauty of Ireland with our *Artisans* program! We'll provide all the supplies you'll need to craft anything from popsicle stick leprechaun magnets to crepe paper shamrocks. The only thing you'll need to bring is a creative mind!

## National Wear Red Day!

This year we participated in the National Wear Red Day Event! Why Go Red? Heart disease and stroke cause 1 in 3 deaths among women each year, killing approximately one woman every 80 seconds. Fortunately, we can change that because 80 percent of cardiac and stroke events may be prevented with education and action.

Here at Silver Oaks Staff & Residents alike supported this cause by wearing red, and promoting a heart healthy lifestyle!

## Executive Director Corner

Greetings from Silver Oaks Health Campus! March promises to be another month full of exciting opportunities for our residents, and we can't wait for them to see what we have in store. In honor of St. Patrick's Day, I would like to personally invite you to any of our Friday Happy Hours. Here at Silver Oaks Health Campus, we do our best to make sure that no two days are ever quite the same, and each one is more special than the last.

Of course, none of this would be possible without our dedicated team. Our staff is second to none, and we want to make sure that we give them the recognition they deserve. Kicking off this month is Employee Appreciation Day, and we could not be more

thankful for our amazing staff.

This past winter, our team went the extra mile to make our facility a home fit for the holidays. Whether it was one of our chefs preparing a warm, home-cooked meal, or a Life Enrichment Assistant helping a resident put the star on top of their Christmas tree, every member of our staff spent the giving season by giving their best! However, this does not stop just because the weather gets warmer – their attention to detail and compassionate spirit is something you can count on year round.

I hope March is as wonderful to you as our team has been to us!

Yours in Service,

*Pamela Cole*

Executive Director
