

Planning Your St. Paddy's Day

As the cold weather retreats in preparation for spring, the month of March makes itself known with the blooming of flowers and the budding of leaves. You might even come across a four-leaf clover - reminding you that Saint Patrick's Day is just around the corner. If you're already green with excitement and looking for ways to get involved in the Irish holiday, here are some Life Enrichment programs we offer that are sure to get you in the spirit.

Get Inspired with Inspirations!

When it first began in the 17th century, Saint Patrick's Day was a time for Irish-Christian families to celebrate the arrival of Christianity in Ireland. Today, the holiday has

branched out all across the globe; encouraging everyone to partake in a day of embracing Irish culture. If you're someone who is interested in the spiritual side of Saint Patrick's Day, you'll love our *Inspirations* programs. Offered on a weekly basis, we encourage our community to attend worship services, Bible studies, meditations, tranquility programs, sing hymns, share life stories, and more. Much like Saint Patrick's Day, regardless of your religious background, there's something here for everyone to enjoy.

Celebrate with a Happy Hour!

If you've ever been to a Saint Paddy's Day parade, you know that people come for the party as much as they do

the floats. At our campus, you can celebrate the holiday in style during our *Happy Hour!* Every Friday afternoon between 3:00 and 5:00 p.m., you can sip on your favorite beverage, enjoy snacks, and mingle with friends. It's the perfect way to celebrate Saint Patrick's Day, and an even better way to end a week.

Get crafting!

Create pieces of art to match the beauty of Ireland with our *Artisans* program! We'll provide all the supplies you'll need to craft anything from popsicle stick leprechaun magnets to crepe paper shamrocks. The only thing you'll need to bring is a creative mind!

Executive Director Corner

Greetings! March promises to be another month full of

exciting opportunities for our residents, and we can't wait for them to see what we have in store. I'd like to personally invite you to any of our Friday Happy Hours, or to simply unwind by participating with your loved one in any of our other Life Enrichment programs. We do our best to make sure that no two days are ever quite the same, and each one is more special than the last.

Of course, none of this would be possible without our dedicated team. Our staff is second to none, and we want to make sure that we give them the recognition they deserve. Kicking off this month

is Employee Appreciation Day, and we couldn't have more to be thankful for.

This past winter, our team went the extra mile to make our facility a home fit for the holidays. Whether it was one of our chefs preparing a warm, home-cooked meal, or a CNA helping a resident put the star on top of their Christmas tree, every member of our staff spent the giving season by giving their best effort. But this doesn't stop just because the weather gets warmer – their attention to detail and compassionate spirit is something you can count on year round.

I hope March is as wonderful to you as our team has been to us!

Yours in Service,

Michelle Weber

Executive Director

Smile of the Month

Ernestine W. always, has a smile with kind words to share with others! Thank you Ernestine "Ernie" for always sharing your warm kind smiles :)

Customer Satisfaction Survey "CSS"

Please, watch out in the mail for our "CSS" Customer Service Surveys, as they will be going out March 8, 2019. As it is very important and helps us, improve to hear from each of our customers. We like to hear ways and/or areas to improve but we enjoy hearing things that we do great. We would like to remind all that by giving us a "10" that does not mean you are saying we are perfect. It simply means that we try our best to serve our customers & community the very best we can. That we do listen, take suggestions and concerns of high importance and we try to go beyond to correct, improve and exceed expectations. A "10" does still mean that we can and will improve, as we know that we are not perfect but that we do continue to grow, correct and be open to change or any benefits for our campus, residents & family! If you feel that, you cannot give us a "10" for any reason please, give us a chance to improve with suggestions and any ideas. Michelle Weber, Executive Director is always available for a meeting or to schedule a meeting although her door is always open. You may also; meet with any Director that you feel could use some improvements in that department. Thank you for giving us the opportunity to serve you!
