## *Purposeful Living and Peace of Mind*

At Meridian Senior Living, we're there when you need us. Our assisted living and memory care facilities provide a safe, secure and supportive environment for every resident. Our communities are their homes, and it is our goal to make them as comfortable and enjoyable as possible.

### ASSISTED LIVING

Our assisted living community is customized for you and your specific needs, so whether it's helping with life's daily activities, providing mobility, coordinating care with your physicians, or making sure you look your best for one of our famous Meridian Senior Living events, you can count on us to be there.

### MEMORY CARE

Residents with memory care needs require exceptional attention and respect, which is why at Meridian we follow a simple, yet important approach to make every day special for them. The cornerstone of our memory care strategy is our Montessori-based Moments in Time program, designed to capture our residents' special moments, as well as validate and allow purposeful living. Contact us to learn more about our exclusive Moments in Time program and the five directional paths with which we focus our memory care.
