Happy 90th Birthday to Hal

We celebrated Hal's 90th birthday with some song and dance at lunchtime. His daughter, Brynna, put on a little skit for him.

It was a day to remember!

All Aboard The Hawthorn Express!

It was a very exciting day as the Arbor residents boarded the Hawthorn Express Train to experience Germany, France, and Italy. With Passports in hand, we were full steam ahead!

We made our German Alpine hats and flower crowns for our Oktoberfest Party.

We made homemade German soft pretzels.

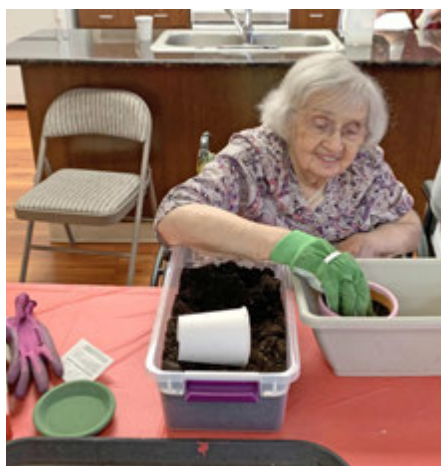

Our pretzels after they came out of the oven. Yum!

We made a German chocolate cake. Edna helping to hold the bowl for Jack while he mixes.

Pick of the Litter ... Pet Therapy

We had the best time ever watching the new Documentary "Pick of the Litter."

It was all about the training of seeing-eye-dogs for the blind. We were so fortunate to be able to meet two of the stars and trainers in the movie. They

Edgewood Point's Virtual Tour on Hawthorn Express

This year's virtual tour was a three-week adventure to Germany, France and Italy. It was on the Hawthorn Express Eurorail train. Our kickoff party was lots of fun with tasty treats. In each country, we had a delicious chef-prepared breakfast, lunch, dessert and dinner. We had lots of fun decorating and making our table centerpieces and hanging some awesome pictures from each country for photo backgrounds. We started out in Germany, where we studied the Neuschwanstein Castle (which was our winning Gingerbread House this year) and tasted sausage, bread, root beer and cheese. We also made some German berets and German chocolate cake balls. We made windowsill plants, German homemade pretzels and played German bingo. When we moved on to France, we made French bread, tasted French cheese, played French bingo, studied and made the Eiffel Tower and painted Van Gogh's "Starry Night." We watched documentaries about France, including learning about the Louvre. In Italy, we played Italian bingo, learned about the beautiful Castle of Angels, Michael de Angelo, the volcano Mt. Vesuvius and the buried city of Pompeii. We had gone prior to our museum to see the Pompeii exhibit. It was beyond words. We also made pizza, Italian bread and cheese tasting. It was an amazing trip for everyone.

Mountainside High School Girls Basketball Team Visits

Our brand new high school had the Girls' Basketball Team visit our residents. We had so much fun. We did the chicken dance, painted pictures and played balloon badminton, cards and bocce ball. We also went around to some residents' rooms and sang. What a wonderful time.

Meet Our New Temporary Nurse, Farrah

We are very happy to have Farrah on our team while Elyse is on her maternity leave. Farrah has been a nurse for 24 years and has had much experience, including time in oncology, emergency, cardiology and senior living. She is very passionate about making a difference in her residents' lives. Her door is open, and she wants you to feel free to talk with her regarding any cares or concerns at any time.

Farrah stopped in France.

Introducing Our New Administrator, Michelle

We are so excited to introduce our new Administrator, Michelle Walker. She actually has been with Hawthorn Retirement for many years. Michelle used to be the Administrator at Edgewood Point and Arbor in the past. She has decided to return, and we are so very happy. Her door will always be open, and she wants you to know you can feel free to talk to her about anything.

Meet Our New Resident Services Coordinator, Robin

We are very excited to have Robin join our team at Edgewood. She has just moved here from Colorado with her boyfriend, Jason; cat, Ellie; and puppy, Violet. She has been a nurse for 10 years and has worked in various fields in the healthcare industry. She likes to go to the beach, hiking, camping, traveling, fishing and loves listening to music. She is so happy to be a part of Edgewood. If you have any cares or concerns, please feel free to let her know.
