### Our Trip to Austin Aquarium

The Austin Aquarium was so neat to visit. It was very interactive, you could hold birds and pet iguanas, as well as feed stingrays and sharks! We had a great time learning about all the animals they had.

## Oh, the Places We've Gone!

The Hawthorn Express came to Maple Ridge to take us on a tour of Europe. Eagerly, we jumped aboard to see what was in store for our three-week journey across Germany, France and Italy. In Germany, we had snowball fights in the Alps and made our own Alpine hats. In France, we built Eiffel Towers as well as take pictures in front of it. In Italy, we saw the Leaning Tower of Pisa, tasted cheese and made models of Mt. Vesuvius. It was sad to leave all of these wonderful places, but we sure were glad to come back home to get some good R&R after our long journey.

*This is serious business.*

*Don't drop the snowballs!*

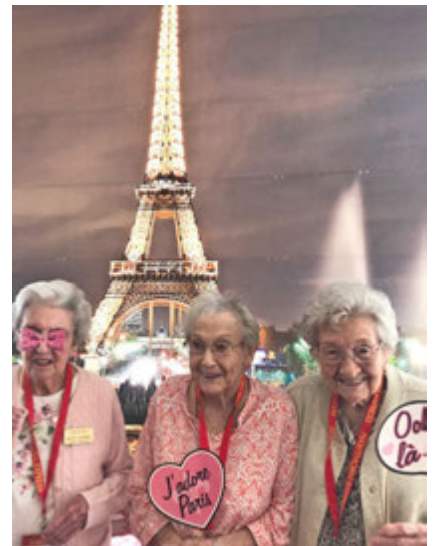

*Making our alpine hats*

*I like cheese on my pizza!*

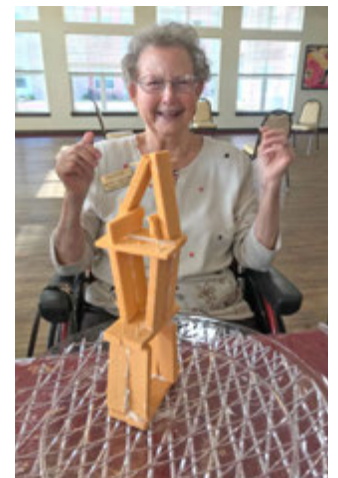

*German cake, delicious!*

*Nice, hearty  
Italian meatballs*

*Chocolate-filled  
croissants for France*

*Does it look like  
the real thing?*

## Resident of the Month: Sherrie Crockett

Sherrie is one of Maple Ridge's wonderful residents. What stands out most about Sherrie is her warm and outgoing personality as well as her eagerness to go to and do anything. Anytime you see her, she has a smile on her face and is usually making a joke about something.

Sherrie was born on July 1st in Milwaukee, Wisconsin but grew up in New Berlin with her five other siblings. She remembers playing in the streets with all her friends and hopping from friends' basements to another friend's basement each week for small parties. During the winter, she and her siblings and friends would go down to the cemetery to skate on the pond and go tobogganing. After graduating from Waukesha High School, Sherrie joined the United States Air Force where she spent the next four years. When in the National Guard, Sherrie drove a tank — never getting out of second gear, she was still able to run over trees and cross rivers.

When Sherrie settled down, she had three children, two girls and a boy. She loves her children very much and considers raising them one of her greatest accomplishments.

Sherrie retired as a Regional Directors Administrative Assistant from the Texas Department of Family and Adult Protective Services. Now at Maple Ridge, Sherrie enjoys reading, watching NCIS, attending every activity possible, and even leads a bible study group. She is an amazing soul and we are so happy to have her as a resident.

## Yee-Haw, Y'all!

Maple Ridge had one boot-scootin' time at our country hoedown. We had music by the singing cowboy which was perfect for a Texas two-step. Our chef, Jason, prepared wonderful Southern comfort food to accompany our evening. We even had a contest to see who could dress up in their best Western gear.
