

Dear Tim + Staff,

We are so thankful for the wonderful care + attention + love that you have shown our Mom. We are especially grateful to you Tim in recognizing that Hospice was needed. None of us had ever dealt with this and your years of expertise allowed you to see that

Mom had reached a plateau that required additional care. We know that the months left will be as comfortable as possible. We are at peace and want her to have peace. We will always be grateful to Clarity Pointe + your magnificent staff.

Thank you from the
bottom of our heart!

Sandy
