

Dear Gretchen + Team,

My entire family would like to thank you for all the sincere care your staff provided to my mom. We were all so pleased with the people you have working there, and only wished mom would have moved there years ago. I know I will be missing some people but wanted to give some special thanks to the care provided by Janet, Ray + Dee. All very special people.

you made my day!

Thank you,
Brad + Laurie Hachtel
Cindy + Doug Morrison
Sue + Mark Helmberg

P.S. - The flowers were amazing!
