

Dear Amy and Everyone

I was very surprised to find the big box of Harry & David at my front door. I should be the one thanking you for taking such great care of Dick. I am still in shock that he was gone so soon and it will take awhile to get over. Between all of you at Avenir and pro care hospice, I know he got the very best care possible. It is an amazing place. I thank God we found you when we did and you steered me into doing the right thing. Please give Jesse a special hello from me. I didn't get to see him before we left there. He is really a great guy and I'll not forget him. Maybe I'll see you at support group if you let me know when it is.

Thanks again,

Kathy Schwartz
