

I thank you for  
the beautiful plant.  
I will always re-  
member your caring  
and kindness you  
all showed Walter, me  
and his friends.  
Walter was happy in  
his new home and I  
am grateful to all of  
you for being there  
for him in his final  
days.

I will stop by very  
soon. Fondly,  
Joan

The family of
