Success Stories...

My experience with Heritage Hill has been a positive one from the first day my mother arrived there. Everyone is kind, caring, compassionate, respectful and always willing to help when needed. She was given excellent care and I do recommend Heritage Hill to anyone that has a family member in need of assisted living care.

The History of Heritage Hill

Heritage Hill

Heritage Hill Senior Community was once only a vision. Those of you who are from this area, you may recall an apple orchard situated on this very same property.

This journey began back in 1989; when the land was cultivated thru land surveys, environmental studies and zoning board meetings. Once all the land was approved, we then met with architects, contractors, and acquired building permits.

The day finally came when the first seeds were planted, and the groundbreaking occurred. The weather played a huge factor in the struggle to sow those seeds but with nurturing the land those seeds began to take root and grow. In May of 1999, the vision was a reality and Heritage Hill was a young seedling, still in need of much nurturing but on its way to a healthy start.

Years of constant nurturing and we have grown into the family we see before us. Along the way we had lost many apples, but their seeds remained firmly in our hearts and have taught us much about how precious this journey has been. We have formed many bonds with the families along the way, their loved ones whom we cared for and continue to care for each day. We have become a healthy thriving orchard once again with the fruit of our labor before us. Our vision has come to fruition as our family tree has grown and continues to grow every day.

We have learned in this process that “Embracing Life & Possibilities at Every Age” will see us through and help to cultivate our future.

Celebrating 20 years of cultivating a reputation of quality care for our seniors!

Shepherd’s Garden Memory Care Corner

A Look back on February...

In February the residents in Shepherd’s Garden were in full celebration mode. We had our annual King & Queen of Hearts Dance on Valentine’s Day, where Elmer S. and Mary B. were crowned. The residents had a great time at the party singing and dancing. The residents also celebrated at our monthly birthday party. This month was Eleanor C.’s birthday. When the residents weren't busy celebrating they were busy baking, making crafts, and doing science experiments. This months crowd pleasers were Fairy Cakes and Apple Crumble. You could definitely say February was full of love, but the residents can’t wait to “spring” into March.
