¹ The procedure is performed under general anesthesia and includes I.V. fluids, dedicated anesthesia monitoring and pain medications. Your pet receives a comprehensive oral examination, full-mouth dental X-rays, scaling and polishing above and below the gum line, and application of a barrier sealant. *Oral surgeries and extractions are discounted but not included in this plan.*

² The procedure is performed under general anesthesia and includes pre-anesthetic blood work, I.V. fluids, dedicated anesthesia monitoring, pain medications, and hospitalization. *Patients with pre-existing medical conditions that complicate a routine procedure may incur additional fees.*

* All plans have a one-time, non-refundable, membership fee of \$49.95. Twelve month membership is required and set to automatically renew each year.

For pets and the people who love them

Each pet is unique and at Yokayo Veterinary Center, we have plans specific to each pet's needs. We have established preventive care recommendations to ensure that every pet receives the highest level of care to live a long and healthy life.

Wellness plans for the life of your pet

- ✓ Plans for each life stage
