Village Notes

Discovery Village Employee of the Month

We are thrilled to announce that our employee of the month is Kayla Wessendorf. Kayla has worked as a Care Manager in Memory Care for almost 3 years. She is originally from Pennsylvania, but after some convincing from her mom, she moved down to Florida to be closer to her family. In Kayla's spare time she enjoys going to the beach with her husband, Cory, and 2 children, Mason and Alexander. What Kayla enjoys most about working at Discovery Village is the satisfaction she gets when helping all the residents in Memory Care. Every day is something special. Congratulation to Kayla.

Executive Director's Corner

Discovery Village would like to welcome Joe Martin, our new Director of Facility Operations. Joe Martin is originally from Pittsburgh, Pennsylvania. He has lived in Florida for the past 17 years. Joe's background is in construction management, with the last 10 years as the Director of Plant Operations in the healthcare industry. He truly enjoys working within the elder community. Joe gets a lot of satisfaction from putting a smile on the residents faces and taking care of their home. Joe will spend time with all of our residents learning where they came from and what they have done for a living. Everyone can learn something new by listening to our residents.
