HAWTHORN
SENIOR LIVING

Valentine's Day

Our Valentine's Day at the Estates included a love-filled Dining Room that welcomed each lady with a rose and our men with a smile. Shrimp scampi and cheesecake pleased our pallets for dinner. Ron played classic love songs from various artists, that had residents out of their chairs, dancing to the tunes. To wrap up Valentine's Day, a fellow resident, Harriet, put on a short skit she used to

perform when she was a part of a senior group. It was short and simple, and had laughs from residents when she came out in different costumes to represent the era she and her husband lived in! Residents also took part in our sweets table, which included a chocolate fountain, fruit, cookies and an assortment of cupcakes! We love our residents!

Volunteer Spotlight

Beth Swann is a gem to Summerville Estates. Beth likes to take care of flower and plants in her spare time, and she also participates in the coloring group, which has become one of her favorite things to do. Beth is also teaching herself how to crochet, so if you need a lesson or have any pointers, pay her a visit. She has a long career as an insurance agent with State Farm, and at one point she was one of the third female agents hired on the east coast. With that mindset of being around and loving all people, she put that to use here at the Estates. She is one of our top Resident Ambassadors, who welcomes each resident with a warm reception. Beth has been at the Estates for a couple of years and has taken her role of Ambassador in stride! She participates in multiple activities and never says no when I give her a task, no matter how difficult. Thank you, Beth!

Resident Spotlight

Rodney and Betty Miller married in September 1955 in Connecticut. Rodney had just completed four years active duty as an internal auditor with the U.S. Air Force. Rodney then went to work in Civil Service, continuing as an auditor. Rod had several work assignments in New York, Virginia, Maryland, Florida, California, and two tours overseas to include England and

Turkey. During their 63 years of marriage, Betty donated much of her time and talents in the field of music, serving as pianist and organist of many different chapels and churches. Rod and Betty have two wonderful daughters and sons-in-law, and are blessed with five grandsons and four-great grandchildren. The Millers enjoy traveling with family and friends, and are blessed to be a part of the Summerville Estates family. In their spare time from zooming through the streets of Summerville, they are volunteers for the weekly singalong. Betty plays beautifully on the piano, while Rod serenades us with his voice! They are such gems to have at the Estates.

Seven Eggstra-ordinary Facts on Eggs

1. Worldwide, around 1.2 trillion eggs are produced for eating every year. The average person on earth consumes 173 eggs per year.
2. Forty percent of the world's eggs are consumed in China.
3. The Guinness World Record for omelet-making is held by Howard Helmer, who made 427 omelets in 30 minutes.
4. The average hen lays between 250 and 270 eggs a year, but some lay more than 300.
5. The world record for eating hard-boiled eggs is 65 in 6 minutes, 40 seconds, by Sonya Thomas in 2003.
6. The brown or white color of an eggshell is purely dependent on the breed of the hen.
7. According to research published in 2008, male dinosaurs were sometimes responsible for sitting on eggs until they hatched.

Senior Corner

This poem was written by a fellow resident, Mary Larsen, entitled "Never Too Old."

Even though our hair has turned gray,
Our bones and muscles ache nearly every day,
Do not push us under the rug,
Just give us a smile and a little hug.
We are still humans, all flesh and blood,
We just want to be a part of what life offers,
Respect us as persons and let us make choices,
We are entitled to a whole lot more than being
thought of as just a bore.
Trust us and try us, to sing, to teach, to love, to share
all of these because we care.
We have advice, just free for the asking,
Treat us as though we have something to give,
Make us feel that life is really to live,
Let us enjoy to the fullest our time on this side,
Where for us understanding and love
constantly abide,
Reaching out to those that need us as we tread
along the way,
Our prayers will be for others until the close of
the day.
