

At Avenida, we recognize that our active residents want to stay engaged with the local community, and we want to support them in doing so. We also want to support the local economy by driving business to nearby shops, restaurants, and organizations. Our Avenida Good Neighbor Program is designed to accomplish all this.

To partner with us, we ask that you create a special discount or promotion for Avenida residents. In turn, your business/organization profile will be included in our Resident Handbook given to each new Avenida resident. Plus, your information and logo will be listed on our community website and in other marketing materials—providing you with valuable exposure to an essential consumer segment. When our residents visit your business/organization, they will show their Good Neighbor membership card to receive their discount.

To become a Good Neighbor partner, just fill out the application on the backside of this flyer and return it to a community representative. The application is also available online, within the “Contact Us” section of our community website: [AvenidaCoolSprings.com](http://AvenidaCoolSprings.com).
