On Tuesday April 9 we honored a very special lady at Azalea Estates. Patsy Pier was presented with the Volunteer of the Year award for 2019. Patsy was recognized at our monthly candlelight dinner in honor of National Volunteer Month. Patsy has enjoyed playing on our Bean Bag Baseball Team, Washer pitch team, and was our 2017 Mardi Gras Queen. She attends group exercise class, bingo, card games, and enjoys helping with any office work as needed. Volunteering has psychological and physical benefits. It lowers your blood pressure and provides an increased protection from Alzheimer's. Patsy can tell you that the benefits of volunteering are enjoyed not only by society, but the volunteer in so many ways. Thank you for all you do for us. **Congratulations Mrs. Patsy Pier!**

Happy Mother's Day

My mother kept a garden, a garden of the heart. She planted all the good things that gave my life its start. She turned me to the sunshine and encouraged me to dream, fostering and nurturing the seeds of self-esteem. And when the winds and rains came she protected me enough, but not too much because she knew I needed to grow strong and tough. Her constant good example always taught me right from wrong. Markers for my pathway that will last a lifetime long. I am my mother's garden. I am her legacy and I hope today she feels the love reflected back from me.

We've Come a Long Way, Baby!

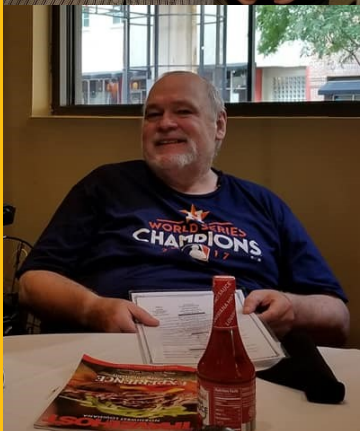

The last 23 years have seen many changes here on East Flournoy Lucas Road. When Azalea Estates was built there was just one neighborhood down the road, Springlake University Terrace; and the Acadiana Place neighborhood was under construction. Now, Twelve Oaks, The Esplanade, and Forbing Ridge are well established, too. We've also seen additions to The Oaks of Louisiana and The Glen Retirement System. The extension of 3132 has brought even more businesses our way, especially in the Camp Forbing Shopping Center & Kroger Marketplace. Azalea obviously picked a great location 2+ decades ago, and we're so glad you are here with us!

Resident of the Month Doug Harville

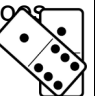

Congratulations to our May Resident of the Month, Douglas Levi Harville! Doug was born to George & Lucille Harville in Leesville, Louisiana, the oldest of 3 children. George was a carpenter and Lucile was a telephone operator and homemaker. Doug attended Leesville and Fairpark High Schools and the University of North Dakota. Growing up Doug had a good family life, even though at times it was hard.

Doug served our country in the U. S. Air Force for over 17 years. He retired as a Master Sergeant E7 and received 3 commendations. During his time in the Air Force, Doug and his family were able to travel to a number of different places including Minnesota, Vietnam, Turkey, Japan, the Marshall Islands, Arizona, and finally back to Barksdale. Doug is very proud of the work he did for the Air Force and being able to retire from the armed forces. We are grateful for your service as well, Doug!

Doug married his wife, Martha in 1970 and they had one son, Douglas Lee who lives here in Shreveport. Grandson Liam is a joy to Doug and anyone else who meets him. Doug and his family are Southern Baptists who attended Broadmoor Baptist Church here in Shreveport. Doug's advice for today's generation is to make sure you have a good religious foundation and to be kind to people. Great advice indeed! Congratulations again Doug, we are so glad you chose Azalea Estates!
