Maple Ridge Grand Opening

Maple Ridge was honored to open its doors to the Cedar Park community and show off what a wonderful community we have started. As soon as people walked through the door, they were greeted by our wonderful residents, adorned with roses and smiles. There were bountiful food tables filled with anything imaginable. The ribbon cutting ceremony was beautiful. The mayor's assistant made a lovely opening speech, and Summit Christian Academy had one of their many talented singers perform the national anthem. For background music, Vista Ridge's violins played. When the time came to finally cut the opening ribbon, everyone was filled with joy and excitement.

Leander Ribbon Cutting

Leander came into Maple Ridge to celebrate Maple Ridge being open with the Leander Chamber of Commerce. Leander brought so many new faces to check out all that Maple Ridge has to offer and tell Maple Ridge what Leander has to offer us.

The History of Memorial Day

Observed with ceremonies and parades, Memorial Day honors the men and women who gave their lives while serving in the U.S. military.

After the Civil War ended in 1865, people in various cities began decorating the graves of fallen soldiers with flowers, flags and wreaths. This inspired Maj. Gen. John A. Logan, the head of a veterans organization, to designate May 30, 1868, as Decoration Day, a national day of remembrance. It's believed that date was chosen because it didn't fall on the anniversary of any battle, and spring flowers would be in bloom all over the country.

On that first Decoration Day, a large ceremony was held at Arlington National Cemetery in Washington, D.C. Officials gave speeches, and more than 5,000 people placed small American flags on the graves of 20,000 Civil War soldiers.

After World War I, Decoration Day was expanded to honor fallen soldiers from all wars. An act of Congress officially renamed it Memorial Day in 1967, and one year later, a public law made it a federal holiday to be celebrated on the last Monday in May.
