7th Year Anniversary

This year, to celebrate Summerville Estates and its greatness, we will have an old fashioned Hoe-Down on May 4th from 11:30 a.m. to 2:30 p.m. We will have a variety of activities for all ages, such as face painting, a bouncy house, goats, square dancing and lasso tricks.

To accompany our western music, we will have a spread of traditional barbecue food. Make sure to come out and pose with our wanted poster for a photo op! See you there. Yee haw!

Resident Spotlight

Our resident spotlight goes to our Estates “artist and painter,” Ann Renzi. She was born in Brooklyn, New York, and if you sat and talked with her, she still has that northern accent. Drawing and painting has always been important in her life. As an adult, she studied oil painting and graphic design. She attended the School of Visual Arts in New York City, which led to her becoming a designer of college textbooks for an international publisher. For several years, she was a member of the Brooklyn Watercolor Society, and attended numerous workshops in upstate New York. Here at the Estates, Ann is a part of the Tuesday afternoon group that uses the time to do therapeutic coloring and any other crafts that may be of interest. Shine bright, Ann!

Volunteer Spotlight

Barbara Smith is our fantastic Bingo caller. She took on this role when our longtime Bingo caller resigned. She strains her voice on Sundays, Wednesdays and Fridays, but loves adding her own spin to the game. She also shows her green thumb in our garden when it is blooming season. Sometimes you can find her outside watering plants when beds are full, or pulling up a few weeds. A secret talent of Barbara includes her being a great crochet artist. She has countless shirts that she has made and often wears. She also has little crochet packets that she has made that are beautiful and detailed. In her spare time, you can find her in the hallways, surfing the net or taking care of her cat, whom she adores.

O'Charley's Outing

On our monthly outing, we decided to pay O'Charley's, a visit to celebrate two birthdays, Deloris and Harriet, and say goodbye to a resident, Lois. We all had a variety of items, including steak, hamburgers, pasta and, of course, a free slice of pie! Make sure to sign up for one of our monthly outings in the Activity Room.

Mardi Gras

Mardi Gras included having a mask accompanied with beads for each resident during the meal time, and a parade line of some residents from the “upper crowd” as they waved to residents on the street. New Orleans-style gumbo appeased our palettes, and finally the traditional King’s Cake was for dessert.

Get Moving for Summer!

Here at the Estates, we like to keep our residents moving one way or the other, whether you are taking a walk outside, playing balloon volleyball or taking part in one of the exercise classes (Zumba, Chair Bingo, Weights Class or Balance and Stretch). You are also able to take part in mindful activities to keep your brain moving, such as Family Feud, Jeopardy, coloring and more! If there is an exercise or activity that is not listed that you want to see, by all means let's add it to the calendar.
