Getting Involved with Theme Week

From April 29th to May 3rd, we celebrated our Chicago Speakeasy Theme Week. As the latest destination in our “Party in the USA” year, this event took us back to the 1920s for five days of jazz, black sequin headbands, and The Great Gatsby.

If you didn’t have the chance to participate, or simply want to know more about similar events in the future, look no further! Here’s everything you can expect when we celebrate our next Theme Week.

Party in the USA

As you’ve probably already noticed, we’ve designed each Theme Week

this year to take you to a different place and celebration in America. In February, we brought out our gold and green to make our home look like New Orleans during Mardi Gras. With our latest Theme Dinner, everyone came together to discuss Manhattans and Martinis in our dining room-turned- Chicago speakeasy. We’re already planning for our next destination, and we can’t wait for you to see it!

Dressing Up

To make you truly feel like you’re experiencing an extraordinary night in a new city, we encourage all of our residents to dress in their best-

themed outfits. Don’t worry - your invitation will include additional details on how to best dress for the theme! Our staff will also help you look the part by handing out necklaces, hats, and other wardrobe pieces prior to the Theme Dinner.

Activities Galore

With the help of our Life Enrichment Team, we’ll make sure that you’re fully immersed in the theme that we’re celebrating. In the past, we’ve had a Cajun lunch outing, created parade floats out of cardboard, hosted jazz bands, and taught each other how to do The Charleston.

Executive Director Corner

Spring is in the air at Waterford Place! Our

resident's are enjoying visiting ice cream shops, nature walks and sightseeing on our weekly outings. The fresh air is good for the soul and we relish the outdoors by utilizing our award winning courtyard. Our residents love to participate and create the atmosphere of our courtyard through gardening, landscaping (artisan program) to simply enjoying the spring breeze.

We are excited to continue our Taste of the Town and our monthly Sunday Brunch where residents and family alike experience a family style dinner reminiscent of an earlier time of family traditions. As we embrace the season of spring please think about being a volunteer and bringing new life and love to our residents.

Please see Heather in Life Enrichment or Debi at the Legacy to sign up today!

Yours in Service,
Carol Ward
Executive Director

LIVING ARTS

Spring has sprung and the flowers are in bloom, outside your windows and in our life enrichment room. Volunteers make our living arts program spring to life with a flower arranging activity with a large group of eager participants. Each participant got to choose the color of their flowers and their bows and arranged their own vase to enjoy in their rooms.

Did you know that Trilogy invests in the lives of our residents above and beyond the daily life enrichment experiences at the campus level? Trilogy offers our residents a chance to go beyond the limits of their wildest dreams with the Live A Dream program. Talk to a life enrichment associate or life enrichment director in our campus to express your desire to live out your skydiving, motorcycle riding, baseball fan dreams come true! As a special act of gratitude for the service of our veterans, we would love for you to ask us about The Honor Flight and how we can help honor you for your service to our country.
