Nice to Meet You!

Hello!

My name is Catherine Donato and I am very excited to join the management team in Lexington as the Director of Life Enrichment. I look forward to getting to know each of our residents' interests, and how I can create fulfilling life enrichment for all. Please feel free to reach out to me with ideas and feedback. I cannot wait to get started with some summer fun!

Neighborhood News

Summer days are on the way! This month we are looking forward to participating in "Lexington Goes Purple" taking place Sunday June 9th in Depot Square. This event is a part of the Alzheimer's Association "The Longest Day", in which thousands of participants from across the world come together to fight the darkness of Alzheimer's Disease through an activity of their choice. Together, they use their creativity and passion to raise funds and awareness for the care, support and research efforts of the Alzheimer's Association.

For Artis' contribution, care partners as well as residents have made purple decorative bows for the parking meters downtown, and our fabulous Director of Culinary Services is baking organic dog biscuits for the "Purple Puppy Promenade." Please see the flyers in our lobby for ways to get involved. Please see the fliers in our lobby on how to get involved and come on down to the Depot Square on Sunday and see us!

June 12th at noon, NBC 10's "The Hub Today" will be airing a segment on Artis Senior Living at our Lexington location. Don't miss it!
