It's Never Too Late for Tech

What is iN2L?

Our residents can use iN2L's picture-based, touchscreen interface to explore 4,000+ pieces of engaging, educational, spiritual, and personalized content. From mind-stimulating games, to exercise, to music immersion, and to google earth for looking back at former neighborhoods, iN2L has it all! We invite you to come try it.

"When we touch the screen, residents are amazed that we can interact with it by hand,"

- Business Office Director, Jessica

Up Close with iN2L at Our Community

Barnett Woods prides itself on delivering a vibrant, engaging, life enrichment program for our residents, and a shining component of that program is It's Never 2 Late® (iN2L) technology that we use in conjunction with our daily activities. Just as surely as technology advances, so too does our involvement with it and how we use it. Learn the latest about our iN2L engagement, and hear from our community how we feel about it.

What's New on the iN2L Front?

Every two months, iN2L content is refreshed with new and engaging games, activities, programs and more. We train our team to understand iN2L, to build their own personal appreciation for it, and we do regular trainings with our team to stay on top of the latest and greatest iN2L has to offer.

How We Use iN2L

"Residents absolutely love the Bingo program, the relaxation, exercise programs, the music from around the world, and all the different pictures," shared Jessica, our Business Office Director. "They also really engage with the TV games. Family Feud is a great one that they love to play!"

Moving Forward in iN2L Style

We're excited about all that iN2L brings to us on a daily basis, and how it can help us to further underscore our mission to create and sustain comfortable, caring environments for those who depend on us.

If you have feedback about iN2L you would like to share with us, we would love to hear it at media@radiantseniorliving.com.

Resident of the Month!

Shirley G.: In her own words!

I was born in Detroit, MI, but most of my life, I was in Tacoma, WA, where I met my husband Robert at 18. We dated for 3 months, were engaged for 3 months, then married. We have 2 children, and 3 grandchildren scattered around in Idaho, Southern California, and Washington. We were married for 66 years. We had 2 homes and each year, we spent 6 months in each, Washington and Yuma, AZ. We have traveled to Alaska, and all over Europe and Greece. I love steak and potatoes, pecan pie, the color green, and roses.

Team Member of the Month!

Tyler

Being outdoors has always been a huge part of Tyler's life. He loves hiking, dirt biking, and lake fishing for trout. He will likely be having fun camping this summer with his wife Robbin, who works in housekeeping, and their 2 children: son Aiden, 11, and little sister Madison, 3. In the winter, Tyler loves to be outdoors in the snow. Interesting facts, he met basketball star Magic Johnson, he loves the color red, and he went to North Medford High ("The Tornadoes"). He has worked here for 12 years as one of our great cooks.
