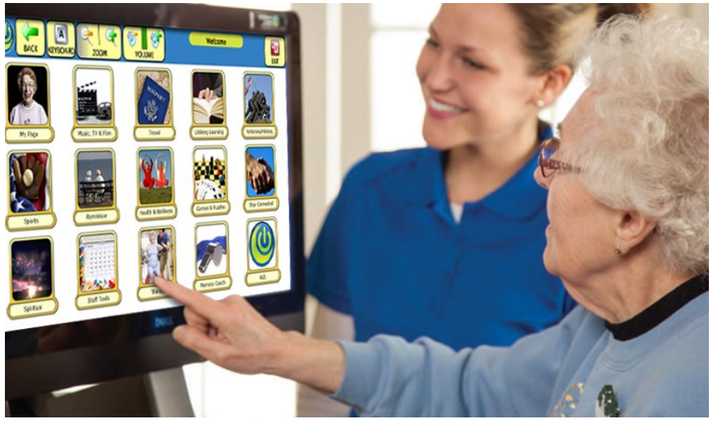
It’s Never Too Late for Tech



What is iN2L?

Our residents can use iN2L's picture-based, touchscreen interface to explore 4,000+ pieces of engaging, educational, spiritual, and personalized content. From mind-stimulating games, to exercise, to music immersion, and to google earth for looking back at former neighborhoods, iN2L has it all! We invite you to come try it.

“iN2L has given us great tools at our disposal for literally everyone and every-thing! There is so much that can be done and can be personalized to fit the likes and needs of each resident individually,” **- Life Enrichment Director, Maria**

Up Close with iN2L at Our Community

Emerald Gardens prides itself on delivering a vibrant, engaging, life enrichment program for our residents, and a shining component of that program is It's Never 2 Late® (iN2L) technology we use in conjunction with our daily activities. Just as surely as technology advances, so too does our involvement with it and how we use it. Learn the latest about our iN2L engagement, and hear from our community how we feel about it.

What's New on the iN2L Front?

As of May this year, our community has increased its existing iN2L technology devices! We just added a Mobile Flex Lite iN2L system at our community. We previously had a stationary 60" system. This added system will help us spread our engagement to more residents simultaneously.

How We Use iN2L

“Our community uses In2l for so many things: crafts, exercise, culture club, games (Family Feud is a favorite), playing music, brain games, movie matinees, etc.,” shared Life Enrichment Director, Maria. She continued, “We have the opportunity to utilize in2l one-on-one. It’s beneficial to every resident that needs or wants it, especially Memory Care residents because it's a device at our hands to make them feel connected as we do. We have some residents that do not speak or have hearing issues so by using pictures, words, and music, it helps our staff be more hands on by showing and or doing easy tasks with them.”

Moving Forward in iN2L Style

We're excited about all that iN2L brings to us on a daily basis. If you have feedback about iN2L, we would love to hear it at media@radiantseniorliving.com.

Special Moments

It’s Culinary Arts Month!

We asked residents and team members:
What is a dish or dessert that you find unique or special?

“Republican Torte; A pistachio pudding dessert” - Rhonda

“Potato Salad that everybody loves!” -Roel

“On Sunny Days in Summer, I enjoy Cherries & A Carne Asada” - Chela

“Ambrosia Salad” - Moni

“A dessert; Arroz con Leche” - Eredani
