It's Never Too Late for Tech

What is iN2L?

Our residents can use iN2L's picture-based, touchscreen interface to explore 4,000+ pieces of engaging, educational, spiritual, and personalized content. From mind-stimulating games, to exercise, to music immersion, and to google earth for looking back at former neighborhoods, iN2L has it all! We invite you to come try it.

"Even when we go on outings during the day, we always have to be sure to be back in time to play iN2L Bingo!"

- **Life Enrichment Director, Cheri**

Up Close with iN2L at Our Community

Sweetbriar Villa prides itself on delivering a vibrant, engaging, life enrichment program for our residents, and a shining component of that program is It's Never 2 Late® (iN2L) technology we use in conjunction with our daily activities. Just as surely as technology advances, so too does our involvement with it and how we use it. Learn the latest about our iN2L engagement, and hear from our community how we feel about it.

What's New on the iN2L Front?

Every two months, iN2L content is refreshed with new and engaging games, activities, programs and more. We train our team to understand iN2L, to build their own personal appreciation for it, and we do regular trainings with our team to stay on top of the latest and greatest iN2L has to offer to our residents.

How We Use iN2L

iN2L adds so much joy and entertainment to everyone here at Sweetbriar Villa, according to Life Enrichment Director, Cheri. "There isn't a day that goes by that we don't use it!" she said. "We start every morning with the music in iN2L to do our dancercise and as background music when we play the balloon game." She added, "We also use it multiple times a week to play games and do singalongs, which are always resident favorites." Cheri said she believes our residents very favorite part of iN2L is Bingo!

Moving Forward in iN2L Style

We're excited about all that iN2L brings to us on a daily basis, and how it can help us to further underscore our mission to create and sustain comfortable, caring environments for those who depend on us.

If you have feedback about iN2L that you would like to share with us, we would love to hear it at media@radiantseniorliving.com.

July Birthdays!

Resident of the Month!

Jim Y.

Jim Young was born and raised in Napa, ID. He is a self-taught accordion player and has been passionately playing accordion since age 12. He happily plays for Sweetbriar Villa residents if they request it, and it always adds joy to afternoon events.

Jim has been somewhat of a care taker his entire adult life. He was the pastor of the church that was at this location before it became Sweetbriar Villa. Jim used to mentor and advise young adults and young married couples during his years as a pastor.

Jim was married to his wife for over 50 years. When she required care outside of their home, Jim would bring his wife a hotdog and vanilla shake every day from Costco— which his wife always looked forward to during their visits. He would also bring his accordion to their visits and play for the dining room during meal time.

Jim is a very proud father and grandfather, and passed his musical talents on to his youngest daughter Jill.

Team Member of the Month!

Christian

Christian, our June team member of the month, joined Sweetbriar Villa in July 2018. Christian used to be a NOC Caregiver and is now a Day-Shift Med Tech. His infectious smile, calm demeanor, can-do work ethic, and positive attitude are noticed and appreciated by staff and residents alike.

In his spare time, Christian has been known to perform as a stand-up comedian. He brings that same fun and energy to our residents and staff. We feel so fortunate to have Christian as a part of the Sweetbriar Villa family!
