It's Never Too Late for Tech

What is iN2L?
 Our residents can use iN2L's picture-based, touchscreen interface to explore 4,000+ pieces of engaging, educational, spiritual, and personalized content. From mind-stimulating games, to exercise, to music immersion, and to google earth for looking back at former neighborhoods, iN2L has it all! We invite you to come try it.

“iN2L is an amazing tool that I use to engage our residents every day! I love that is easily used by everyone and it has so many different activities available with just a few touches of the screen,” - Life Enrichment Director, Casey

Up Close with iN2L at Our Community

South Pointe prides itself on delivering a vibrant, engaging, life enrichment program for our residents, and a shining component of that program is It's Never 2 Late® (iN2L) technology we use in conjunction with our daily activities. Just as surely as technology advances, so too does our involvement with it and how we use it. Learn the latest about our iN2L engagement, and hear from our community how we feel about it.

What's New on the iN2L Front?

Every two months, iN2L content is refreshed with new and engaging games, activities, programs and more. We train our team to understand iN2L, to build their own personal appreciation for it, and we do regular trainings with our team to stay on top of the latest and greatest iN2L has to offer to our residents.

How We Use iN2L

“My favorite way to engage residents with iN2L is during a conversations we are having. I can jump on iN2L and look up what we are discussing, whether is about an old song from their childhood or a place they grew up. It adds more content to our conversations! iN2L brings life to what we are talking about,” shared Life Enrichment Director Casey. She added that residents love the travel shows, Family Feud, and trivia games. “The TV game show programs are a real crowd pleaser,” she said. “When we have a game going, everyone that walks by stops and plays, including family members and staff!”

Moving Forward in iN2L Style

We're excited about all that iN2L brings to us on a daily basis. If you have feedback about iN2L that you would like to share with us, we would love to hear it at media@radiantseniorliving.com.
