### Under the Sea Prom 2019

Did everyone enjoy this year's Under the Sea Prom? A slide-show viewing of all the precious memories captured from the evening, July 29th at 4 p.m.

*Joan and Bill Kuse dancing together on their 62nd wedding anniversary! Which happened to be the same day we had our prom!*

## We Are Crazy 'Bout Corn This Month!

July is all about corn! So, join the picnic fun and look out for these activities to experience together:

**July 11th:** It's a Street Corn Fiesta with Chef Tonia! She will be grilling up fresh corn on the cob and together you will create different recipes to jazz up your corn on the cob!

**July 12th:** Ditch and Dine. Sign up to have corn dogs and tell corny jokes with Meredith during the dinner meal. We welcome any comedians to join and do their own stand-up jokes as well!

**July 16th:** It's Orville Redenbacher Day! Enjoy the variety of toppings on our Popcorn Bar (it opens at 3 p.m.) and look back at American History about the drive-in movie theaters documentary playing at 3:30 p.m.

**July 18th:** Summer Song Karaoke at 3 p.m.! Come and have fun as we take turns singing to some of our favorite songs.

*The ladies made honey lemon lip balm. Look out for upcoming crafts this month!*

*Ed F., sharing his college coaching stories*

Once a vibrant part of American culture, nearly 5000 drive-ins once dotted the nation from big cities to small towns, but today less than 400 remain.

## Volunteer Highlight: Susan Edelson

Susan is the daughter of Herbert Victor. She was born and raised in Brooklyn, New York. In 1978, Susan and her husband Eddie decided to make a big move and began life as a family in Virginia Beach, Virginia. Together they became a family of four. Raising babies just two years apart, Susan stayed home to care for the kids. As they settled in, Susan joined a synagogue where she started volunteering as a Sunday school teacher. She also joined a sisterhood. After 32 years of dedication, eight at the day care and 25 to follow where she worked as a special education teacher assistant at College Park Elementary School, Susan retired just two years ago. Teaching children with special needs brought her challenges at times but she truly loved and admired seeing the children's progress, which kept her going; it is still an influence in her life today as she volunteers. She enjoys reading and other hobbies. In 2016, the family found Willow Creek and decided they wanted her father to move in and be closer to her. Coming all the way from New York, it took some time to adjust. Once Herbert became more comfortable, he started attending a few activities. Now he's a Willow Creek Party Animal who is willing to participate in just about anything! While being retired, she stays busy. She volunteers at the Children's Hospital where she comforts parents while they wait for their little ones who are in surgery. She also coaches a man with special needs once a week to help him with reading skills, as well as visiting us all here at W.C. where she takes on an abundance of things, her favorite being BINGO!

Susan loves getting to visit with her father, as well as having the chance to get to know everyone who lives here and hearing their stories. During her small amount of "Susan Time," she plays on a bowling league who took first place this year, and spends time with family. Forty-five years of marriage together today and parents of two adults who have started their own families. Ryan, their son, is a pilot who visits Willow Creek often and takes part in a variety of activities, along with his wife Wendy. Today their daughter Shannon lives in China with her husband and kids. Although Eddie and Susan miss them dearly, they were able to make a visit to see them in China and stayed for three weeks. They couldn't be more proud and happy for their kids and are thankful to know their dad/grandpa is safe here at Willow Creek. It's a home away from home for her!

## Way to Go W.C. Relay Team!

Thank you to those who contributed to this year's Relay for Life team. Without your donations and word of mouth, our goal wouldn't have been reached. The Relay event turned out to be a nice cool evening and everyone who was able to attend celebrated and enjoyed the entertainment with friends and family. The group gathered for dinner, catered by Pollard's Chicken, that was delicious. Then they had the survivors collect together for their honor lap and walked or rode like royalty on golf carts around the track. We believe 2020 we will continue this celebration and anyone who is interested in leading ways to fund-raise in the future, please let management know so we can better plan for years to come. Thank you all and congrats Team Willow Creek raising \$5,333.39! Also, shout-out to Luchelle and Michelle — you were a blessing to the team and worked it to raise a great amount of money all on your own! Lastly, shout-out to all 27 survivors on our team who showed cancer who's boss!

*Hal riding in style, who made a HUGE contribution to our team. Thanks, Hal!*

*Who doesn't like the Gecko — or is it a Geico?*

*Joann and Luchelle doing their Miss America wave perfectly*

*Shirley's crew was strong, surrounded by family singing the National Anthem.*

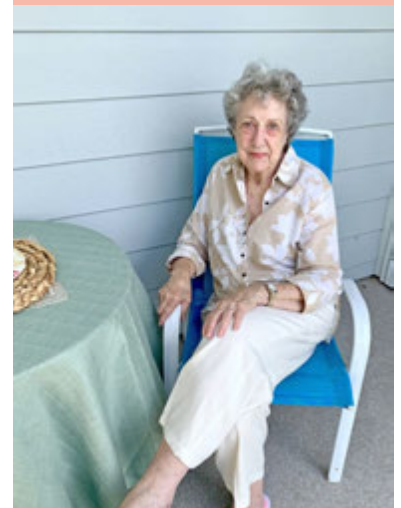

*Betty H. getting cheered on by the crowd*
