Independence from Hunger

As we celebrate our nation's independence from tyranny, our servant leaders here at Trilogy continue to strive for independence from hunger – an ever present threat to the people of our country and the world at large. For our 2019 Independence From Hunger Campaign, we're striving to change the world through our efforts in our local communities.

What is Independence From Hunger?

The Independence from Hunger Campaign, which first began in 2008, is one of two annual

companywide fundraisers that we are proud to support. The campaign began to address the fact that more than 5 million senior citizens currently face hunger in our country. Last year, we provided over 1.5 million pounds of food to benefit local food banks and non-profit organizations. This year, we hope to collect 1.6 million pounds of food through unique, local fundraising events held at all of our Trilogy Senior Living Communities throughout Kentucky, Indiana, Ohio and Michigan.

How Can I Help?

If you or a family member would like to help us achieve this year's goal, we'll be accepting non-perishable food items until July 15th. This will provide us with ample time to distribute your contributions to our local food bank partner. We're also happy to accept any of the following cash donations:

\$10 = Feeds a baby for 1week

\$25 = Feeds a child for 1week

\$50 = Feeds a senior for 1month

\$100 = Feeds a family for 1month

*We also have basic levels
for outside donors.

Executive Director Corner

As we head into July, we look forward to

more events and activities that will allow all of us to spend more time outside! Our "Campus in Color" drive is well under way, with Donna and her Life Enrichment team working hard to keep the courtyards and surrounding areas very colorful with many new flowers planted.

"Taking time to stop and smell the roses" is all about learning to live in the present moment. We are all guilty at times of spending too much time in our lives worrying about a variety of things – all at once. We allow past problems and future concerns to dominate

our present moments. John Lennon once said – "Life is what's happening while we're busy making other plans." One goal of mine is to keep improving on the practice of keeping my full attention on the here and now. Now is the only time we all have, and the only time that we have any control over. Enjoying the present moment is something that has the potential to return big dividends!

Thank you again for your continued feedback as we work hard to ensure we are doing the absolute best we can in providing great service to your loved ones.

God Bless,
Joe Smart
Executive Director

Donna's Insights

Hello all,
I tell myself
that I am not
going to miss the

cold weather once it is gone – and July always comes around to prove me wrong! If you are like me and are looking for a way to cool off, I encourage you to stop by for one of our Happy Hours. There is no better way to combat the summer heat than with a nice, refreshing beverage!

Just as sudden as the changing weather, the Fourth of July has already come and gone. In honor of the holiday, I want to take this opportunity to acknowledge all of our veterans who selflessly put duty ahead of their own wants and needs.

Because you fought to preserve our independence, we are able to gather in peace to celebrate our Independence Day. We are forever indebted to your service to us, and it is our pleasure to always serve you.

I hope you were able to see some of the amazing fireworks from our front parking lot, and if not, I am sure they will still be going off for the next few days! Our local community loves to keep the celebration going, and so do we. Keep an eye out for the cookouts, outings, and personalized activities that we have planned for the rest of the summer!

Yours in Service,

Donna
