## Feel at Home Where you Are...

Heritage Hill is a personal care and memory care community that embraces life and possibilities at every age.

In our beautifully appointed common rooms opening onto spectacular views of the Pocono Mountains, residents enjoy an environment that provides all the comforts of home, plus the support of round-the-clock, trained caregivers.

When you or a family member require assistance with the daily activities of life, come to the place our residents call home. A place that feels like a happy, welcoming home....because it is!!

We encourage families to visit often and to participate in our activities and special events. We take pride in every last detail that goes into making our community a loving home for our residents. Please come visit us and discover what it means to be at home at Heritage Hill.

## Success Stories...

Heritage Hill made our transition for my mom very easy. They are a very friendly community. The staff are always looking out for her best interests and her health. We have looked at 5 different communities, and none came close to what we found at Heritage Hill. Mom is adjusting very well and has made a lot of new friends. She is very happy and so are we. Thank you for caring so much.!

## Q & A

Q: Is there a written plan of care for each resident? How often is it reviewed and updated?

A: Yes, our Resident RASP (Resident Assessment and Support Plan) is completed initially upon admission to our community and is reviewed annually or subsequently upon any significant change within the residents physical or mental abilities as required by our licensing agency.

A Look back on JUNE...

Finally, summer has arrived! To celebrate we baked items that were associated with our “Making A Splash” monthly water theme. These yummy desserts included dirt made with pudding and cookies, beach themed cupcakes, and dolphin shaped cut out cookies. Our residents also participated in fun water games and projects. Keeping cool and hydrated by enjoying popsicles, fresh fruit, and even milkshakes was the highlight of the month. While June was a great month, we are excited to celebrate our Patriotic Pride in July and travel to The MOON and BACK with our July monthly theme.
