Celebrating National Seniors' Day!

For the past 31 years, August 21st has been National Senior Citizens' Day in the United States and we hope you'll join us in observing it!

It was back in 1988 that then President Ronald Reagan set in motion the day to annually highlight seniors' achievements, and bring awareness and assistance to their needs. He stated: "We can best demonstrate our gratitude and esteem by making sure that our communities are good places in which to mature and grow older, places in which older people can participate to the fullest and can find the **encouragement, acceptance, assistance, and services** they need to continue to lead lives of independence and dignity. [...] For all they have achieved throughout life and for all they continue to accomplish, we owe older citizens our thanks and heartfelt salute."

We are proud to celebrate and thank our seniors for their contributions to society. As part of observing such a day, read on for seniors reaching golden-year goals, hobby ideas, and a few helpful online resources.

Success Can Come at Any Age

Seniors most certainly prove one can reach for the stars at an older age. A few examples: Laura Ingalls Wilder wrote the "Little House" series between the ages of 65 and 76. Gladys Burrill completed the Honolulu Marathon at age 92. Peter Mark Roget of "Roget's Thesaurus of English Words and Phrases" did not start the book until age 69. Painter Grandma Moses was 78 when she gained fame for her works. Julia Child was 50

when she released her first cookbook. And Colonel Sanders didn't come into great success with KFC until age 62. These are encouraging examples for all of us goal-chasers. Stick to your goals no matter how small you think they are, and feel the pride that comes from taking the journey.

Hobbies to Consider Trying Out

Cooking: Share and make recipes in groups.
Golf: Whether for fun or competition!
Painting: Acrylics, watercolors, or oils
Poetry: Spoken or written, alone or for friends
Pottery: Start making hands-on masterpieces!

Resident Spotlight! LARRY

We want you to meet our resident Larry. He has a four legged companion named "jimmy". They both go out for walks and sit in the sunshine of the courtyard. Larry and Jimmy are from Elmira where they had fruit trees, berry bushes, and dear would come and visit them. He has two adult kids and he loves to reminisce about his "beautiful wife".

Here at Farmington Square Larry has some good friends; Larry, (he enjoys sharing his name) Keith and Paul. They have conversations, eat together, like music, presentations, trivia and the Scenic Drives together. Larry is very knowledgeable about our area and shares historical references on our drives. He's a great tour guide

Larry thanks for being a friend!
