

Assisted Living Program

No one likes to admit when they need some help getting through what the day holds. When your loved one needs more support, then assisted living may be an option for you. Our customized care levels coupled with corresponding prices make financial sense.

Services

- 24-hour fully integrated resident emergency response system
- Personalized assistance with the activities of daily living – dressing, grooming, bathing and escort service
- Three delicious meals served restaurant-style, including between-meal snacks
- Housekeeping, linen, personal laundry service and on-site maintenance
- Scheduled transportation to shopping, medical appointments, and special events
- Individualized care plans designed for each resident by our licensed nursing professionals in conjunction with family and physicians
- Salon for hair styling, manicures and pedicures

Amenities

- Comfortable living room, dining room, activity room, café, library, media room and business center
- Wellness Center with fitness equipment and outpatient therapy services
- Oversized one-bedroom and two-bedroom floor plans
- Living area, kitchenette and full bathroom in each apartment
- Flat screen televisions with basic cable
- Individual climate control in each apartment

Extended Care Assisted Living Program

When you need more services than our Assisted Living program can provide but are still not ready for nursing care, we now have Extended Care services available as well. The Extended Care program enhances the level of care our residents need by adding 24-hour care by licensed nurses.

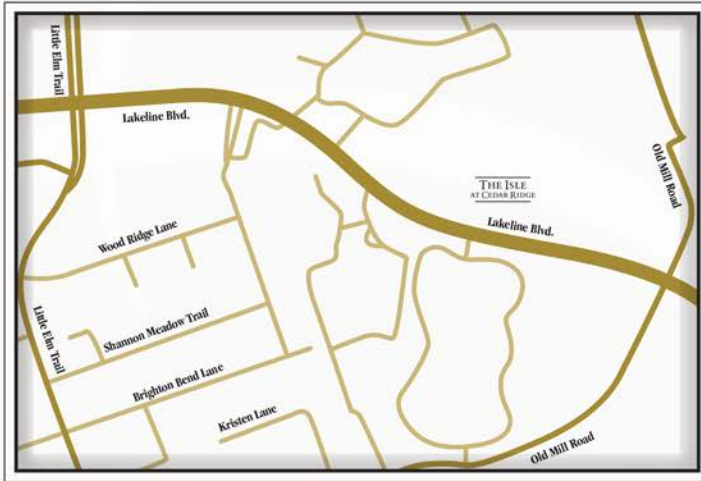

Services

- 24-hour care provided by licensed professional nursing staff
- Individualized care plans designed for each resident by our licensed nursing professionals in conjunction with family and physicians
- *iN2L*[®] – *It's Never 2 Late*[®]: This state-of-the-art system combines touch screen computers with intuitive, picture based software and an extensive, continually updated content library
- Fully integrated resident response system
- Housekeeping, linen, personal laundry service and maintenance on-site
- Three delicious meals served daily, including between-meal snacks utilizing the *SuzyQ* cart – a delivery system that encourages resident centered dining
- Scheduled transportation to shopping, medical appointments and special events
- Short Stay Programs available: Trial Stay, Caregiver's Relief and Transitional Stay
- Salon for hair styling, manicures and pedicures

Amenities

- Comfortable living room, dining room, activity room, café, library and media room
- Wellness Center with fitness equipment and outpatient therapy services
- Private studio and one-bedroom floor plans
- Kitchenette and full bathroom in each apartment
- Flat screen televisions with basic cable
- Individual climate control in each apartment
