OUR RESIDENCES

Enjoy life in a residence that feels like home while releasing yourself from the cares of home and yard maintenance. Our apartments feature gorgeous details that you'd expect to find in fine custom homes. We boast a wide selection of the most spacious one-, two-, and three-bedroom residences you'll find. Our Residency Counselors will help you choose from a variety of styles, layouts, locations, and budget options, helping you customize your perfect retirement.

WHAT SETS US APART

The Watercrest vision sets our communities apart from the standard, one-size-fits-all retirement lifestyle.

RESORT-STYLE COMMUNITY

Watercrest is changing the face of retirement for today's active adults. We offer an exciting new approach to retirement living by helping you live the life you've always dreamed of in a stunning and vibrant environment. With a resort-style clubhouse and an array of distinguished features, you will appreciate the quality and comfort of your new home.

CUSTOMIZABLE LIFESTYLE OPTIONS

Watercrest believes that a traditional, uniform retirement no longer meets the needs of an ever-changing senior population. In this day and age, retirees rightfully want the choice and flexibility to live the retirement they envisioned for themselves, not one someone else created for them. At Watercrest, you can create a package of services that works for you, with the ability to make adjustments as your needs and wants change in the future.

RESIDENT-CENTERED CULTURE

The Watercrest culture is based on a resident-centered environment. Our activity programming and lifestyle options are built through integration of our residents' values, interests, pleasures, and hobbies to bring them a personalized experience.

VARIETY OF RESIDENCES

We offer a variety of spacious one-, comfortable two-, and unique three-bedroom floor plans, some with attached garages. Watercrest is able to meet the needs of even the most discerning retiree.

VALUE-DRIVEN CONCEPT

With the average senior in mind, we offer flexible options to help meet a variety of budgets. We don't charge large entrance fees, and we allow our residents to pay for only the services they need and want. Protecting your hard-earned money is an important part of supporting a secure plan for your future.

AMENITIES

Watercrest at Bryan offers a lifestyle where you can enjoy, embrace, and experience an elegant, individually tailored retirement that fits your particular needs. Featuring amenities found only at the finest Five Star resorts, plus a country club-style clubhouse, spacious living options, beautiful finishes, and a range of conveniences, Watercrest was built with your future in mind.
