Happy 98th Birthday, Sara

Family and friends gathered in the Activity Room to celebrate a special birthday. Sara turned 98 and is still going strong. She was surprised to see all of her family show up for her special day. It is something she will always remember.

Concert On the Lawn

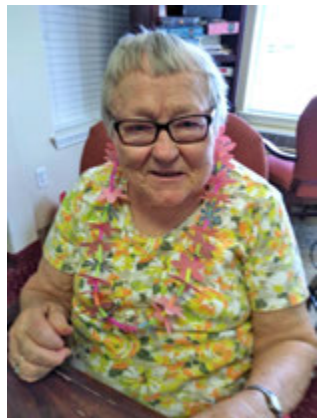

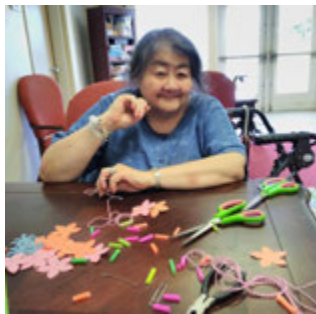

We had a concert on the lawn and barbecue event for the residents. The live band was the Chihuahua Band. The residents loved sitting on the lawn and having their barbecue dinner outside. After the band was done playing, we went inside and listened to David Cooley. It was a great evening.

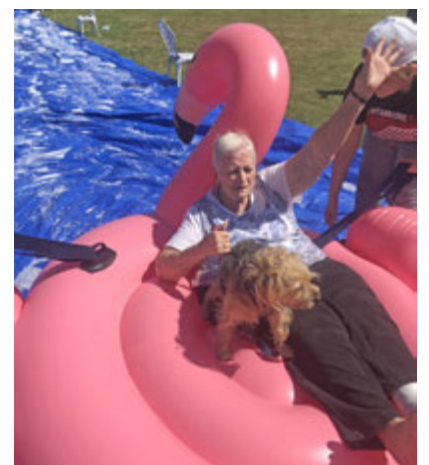

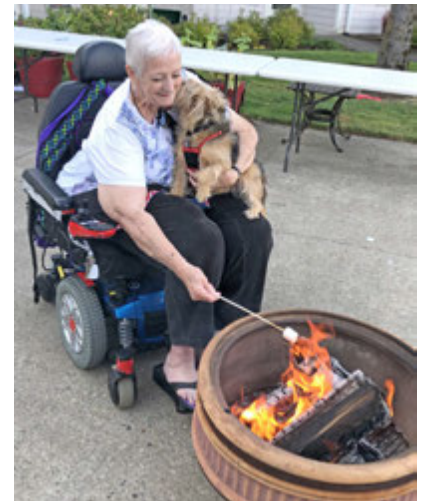

Arts and Crafts with Patsy

We have Arts and Crafts on Fridays. The residents made some decorations for our Luau Party coming up. We would love to have you join us. I love to see the beautiful things they make. If you have any questions, you can always talk to Patsy.

Fun in the Sun

The Activities Director made a slip-n-slide for the residents, and with the help of the staff, we had a great time in the sun. The residents loved getting on the pink flamingo tube, going down the slip-n-slide and having some ice cream sandwiches. After we were done, we roasted some marshmallows. It's an activity we will do again.
