

Celebrating our Dining Services

At our campus, we believe that the right employees make the difference. October 3rd – 9th is National Healthcare Food Service Workers week, and we want to take this time to recognize the incredible individuals who make up our Dining Services team, as well as the specialized programs that they assist in providing for our residents.

Taste of the Town - With *Taste of the Town*, our Dining Services team treats our residents to the sights, smells, and tastes of local restaurants - all from the comfort of home. Through music, uniforms, mascots, and specialized menu options, our

dining room is redesigned to capture the look and feel of a featured restaurant. Let us know which restaurants meals are your favorite, and we will partner with them to bring your favorite meal experience to the campus so everyone can enjoy them with you!

Theme Dinners - Who said that you have to leave home to go on vacation? A celebration of the culture behind our care, *Theme Dinners* allow us to explore the world at large from within the walls of our campus. Our next Theme Dinner, Nashville Boot Scootin' Boogie, will be on Thursday,

October 24th, and will be our final destination in our "Party in the USA" Theme Year. Stay tuned for more details as we get closer to the hoedown!

Sunday Brunch - With our *Sunday Brunches*, we celebrate our fondest memories of sharing a meal with those that we love. Offered monthly, resident family members are invited to our campus to enjoy delicious breakfast items served buffet-style. So mark your calendars each month and encourage your family to come out and join us! All are welcome to attend.

Executive Director Corner

Happy
October,
everyone!

Now that
Fall is in full swing, I'm taking
every opportunity available
to enjoy the outdoors.
There's something especially
comforting about the sound
of leaves crunching beneath
my feet, and the smell of fresh
pumpkins being carried by a
cool breeze. There's so much
to appreciate about this time
of the year, and we can't wait
to celebrate it with you.

On October 24th, we'll be
arriving at the next destination
in our "Party in the USA" Theme
Year – Nashville Boot Scootin'
Boogie! We recommend that
you get your dancing shoes
ready, because before you
know it, it'll be time to honky-
tonk the night away! Hold on to
your hats for more information
about this hoedown as we
get closer to the Theme

Week. In the meantime, don't
hesitate to talk to a member
of our Life Enrichment team
about any questions that you
might have. They'll be more
than happy to see you!

Speaking of Life Enrichment,
now is the perfect time to
get involved with our Out
and About program. If you're
wanting to stretch your legs
and experience some of the Fall
magic for yourself, then look
no further. With Out and About,
we offer our residents field
trips, bus tours, sports outings,
and more – up to two times
per week! Talk to any members
of our team about what we
have planned for this month so
that you can jump on board.

See you around, and
have a great month!

Sincerely,

Shanna M. Barns, LNHA
Executive Director

'Dining Services'

...continued from cover

Chef's Circle - Held weekly, *Chef's Circle* allows our residents the opportunity to provide feedback, propose new dishes, and share their favorite recipes with our detail-oriented chefs. You may even be the first to sample our new menu offerings and help to decide which dishes we will feature on the next menu!

Trilogy Culinary Cruiser - The *Trilogy Culinary Cruiser* takes our dining room experience to the road. Our food truck will travel to select destinations and community events to provide those we serve with mouth-watering meals on the go. Ask a member of our team about when the Trilogy Culinary Cruiser is scheduled to be in the area!

Thank you to our Dining Services employees for helping bring these experiences to life in our community. Your commitment to quality care is reflected in every dish, and your compassionate spirit never fails to put a smile on the face of our friends and family. If you'd like to get to know our Dining Services team, join us in the dining room anytime for a meal. They'll be eager to meet you!
