

Celebrating our Dining Services

At our campus, we believe that the right employees make the difference. October 3rd – 9th is National Healthcare Food Service Workers week, and we want to take this time to recognize the incredible individuals who make up our Dining Services team, as well as the specialized programs that they assist in providing for our residents.

Taste of the Town - With *Taste of the Town*, our Dining Services team treats our residents to the sights, smells, and tastes of local restaurants - all from the comfort of home. Through music, uniforms, mascots, and specialized menu options, our

dining room is redesigned to capture the look and feel of a featured restaurant. Let us know which restaurants meals are your favorite, and we will partner with them to bring your favorite meal experience to the campus so everyone can enjoy them with you!

Theme Dinners - Who said that you have to leave home to go on vacation? A celebration of the culture behind our care, *Theme Dinners* allow us to explore the world at large from within the walls of our campus. Our next Theme Dinner, Nashville Boot Scootin' Boogie, will be on Thursday,

October 24th, and will be our final destination in our "Party in the USA" Theme Year. Stay tuned for more details as we get closer to the hoedown!

Sunday Brunch - With our *Sunday Brunches*, we celebrate our fondest memories of sharing a meal with those that we love. Offered monthly, resident family members are invited to our campus to enjoy delicious breakfast items served buffet-style. So mark your calendars each month and encourage your family to come out and join us! All are welcome to attend.

Welcome Residents & Family Members

The Stonegate Health Campus Team would like to welcome all our new residents and their families to our campus and a place to call home. We are looking forward to serving your loved ones in their daily needs and making new memories each day. We take pride in our services and hope we can meet each resident's needs. Please let us know how we are doing, so we can make a difference in our resident's lives!

Executive Director Corner

Happy October, everyone!

Now that

Fall is in full swing, I'm taking every opportunity available to enjoy the outdoors. There's something especially comforting about the sound of leaves crunching beneath my feet, and the smell of fresh pumpkins being carried by a cool breeze. There's so much to appreciate about this time of the year, and we can't wait to celebrate it with you.

On October 24th, we'll be arriving at the next destination in our "Party in the USA" Theme Year – Nashville Boot Scootin' Boogie! We recommend that you start looking for a dance partner now, because before you know it, it'll be time to honky-tonk the night away! Hold on to your hats for more information about this hoedown as we get closer to the Theme

Week. In the meantime, don't hesitate to talk to a member of our Life Enrichment team about any questions that you might have. They'll be more than happy to see you!

Speaking of Life Enrichment, now is the perfect time to get involved with our Out and About program. If you're wanting to stretch your legs and experience some of the Fall magic for yourself, then look no further. With Out and About, we offer our residents field trips, bus tours, sports outings, and more – up to two times per week! Talk to any members of our team about what we have planned for this month so that you can jump on board.

See you around, and have a great month!

Yours in Service,

Shea Baker
Executive Director

Life Enrichment Customer Satisfaction

Thank you all so much for your feedback on the Life Enrichment department's service here at Stonegate. The Life Enrichment department received a certificate for most improved customer satisfaction score company wide! Thank you all and always remember to express your compliments and concerns with Life Enrichment to ensure that we provide the best care possible!

Health Campus Spotlight: Betty S.

Betty is an 89 year young woman with a warm smile and a kind and loving heart. She was happily married and had four children. When she was younger, she used to clean homes while taking care of her family. Betty loved to crochet blankets and give them away to every expectant mother she knew. Betty also loves dogs and usually keeps dog treats with her to offer to any pet who is in petting distance. Betty's favorite memory is of traveling with her husband and the cruise to the Bahama's they went on. Betty also said Jesus is her #1 in her life and enjoys going to church and bible study. If you ask Betty how she is, she will always answer "Blessed", which is how we feel knowing her.

SUMMER FUN!

As summer comes to a close we are filling it with fun outings and spending time in the sun! We have enjoyed picnics, going to a Tigers' Baseball game, and even having fun at our community's "Lapeer Days" festival. Even though the Tigers didn't win the game, we still enjoyed eating ball park Hot Dogs and cheering on our home team! We have had a great summer time filled with memories and can't wait for the fun that autumn will bring!

A Michigan Adventure

We joined other Michigan campuses in Lansing for a resident retreat titled 'A Michigan Adventure'! We enjoyed socializing with residents from other campuses along with a picnic, painting class, and visiting the R.E. Oldsmobile museum. We also enjoyed a formal evening with music and dancing! Residents had the opportunity of visiting the Michigan Historical Museum to learn a lot of interesting facts about the history of our great state. We had a great time meeting other Michigan residents and making great memories with them!

Sunday Brunch

October's Brunch will take place on Sunday, October 13! Please invite family and friends to join us for some fun and fabulous food! Please make reservations. We hope to see you there!

Taste of the Town

Stonegate Health Campus looks forward to bringing in the taste and spirit of many local restaurants in Lapeer to our residents. Taste of the Town is a monthly event where the campus chooses a local restaurant and arranges for a favorite meal to be brought to the campus for the residents to enjoy. Our next Taste of the Town will be sponsored by Leo's on October 29! If you are a local restaurant owner or know of a local restaurant to suggest for Taste of Town, please let us know!

ASSISTED LIVING SPOTLIGHT: JOHN B.

John is an 87 years young man who grew up in Saginaw, MI and has been married to his wife, Anne Louise, for 44 years. John served in the Navy for 4 years from 1952 to 1956. He also lived in Pakistan for 5 years and 2 years in Japan! John made many trips to the Middle East with Harry Kissinger when he was Secretary of State. He was also a reporter for the White House from John F. Kennedy's presidency to Jimmy Carter's. John's career as a writer/reporter/editor for United Press International spans 25 years! His favorite memories are when he interviewed the Dali Lama in 1956 and when he traveled for one week with John F. Kennedy and his family!

'Dining Services'

...continued from cover

Chef's Circle - Held weekly, *Chef's Circle* allows our residents the opportunity to provide feedback, propose new dishes, and share their favorite recipes with our detail-oriented chefs. You may even be the first to sample our new menu offerings and help to decide which dishes we will feature on the next menu!

Trilogy Culinary Cruiser - The *Trilogy Culinary Cruiser* takes our dining room experience to the road. Our food truck will travel to select destinations and community events to provide those we serve with mouth-watering meals on the go. Ask a member of our team about when the Trilogy Culinary Cruiser is scheduled to be in the area!

Thank you to our Dining Services employees for helping bring these experiences to life in our community. Your commitment to quality care is reflected in every dish, and your compassionate spirit never fails to put a smile on the face of our friends and family. If you'd like to get to know our Dining Services team, join us in the dining room anytime for a meal. They'll be eager to meet you!
