The Lifestyle Residents Love

Assisted Living at Gentry Park Orlando was carefully designed with the comforts seniors today have come to expect. Our residents receive the quality care and supportive services that allow them to live life to its fullest.

Exceptional Community

We believe Gentry Park Orlando assisted living community should offer residents the personal privacy and neighborhood amenities they have enjoyed all their lives in their own homes. That's why our community combines a choice of spacious private studio, one-bedroom, and two-bedroom residences with all the amenities that make day-to-day life more enjoyable.

Person-Focused Care

- 24-hour nursing services provided by licensed professionals offering reliable care and true peace of mind.
- Around-the-clock, trained associates ensure each resident's health and safety needs are met.
- Caring, respectful professionals help maintain dignity while assisting with the activities of daily living.
- Extended Congregate Care (ECC) License, allowing residents to age in place while providing a high level of care.

We offers respectful assistance with the necessities of daily life, like grooming, bathing, and dressing, as well as medication reminders or administration. However, the care extends beyond the basics. Our professional and caring staff is dedicated not only to meeting each resident's needs, but also understanding their desire for a life rich with meaningful and purposeful experiences.
