**Maintenance Corner**  
**After Hours Maintenance Calls**

*Maintenance issues happen. Please do not wait to report maintenance issues. Reporting them as they happen keeps your home running smoothly.*

Here at Castle Vista, we have a skilled staff of maintenance employees that will handle your maintenance issues. No maintenance call is too small! From changing a light bulb, to changing the batteries, we are here to get the job done.

What is an after hours maintenance emergency call? Some examples are the following:

1. Water (pipe breaks).
2. Plumbing (only if both toilets are clogged).
3. Electrical.
4. Smoke detectors (Please do not remove).
5. Gas - If you smell gas, stay calm and vacate the unit. Call 911. They will dispatch PG&E. Do not use your phone in the home if you smell gas, as this could cause a fire hazard.

*Jon Lukshaw, Maintenance Lead*

Please remember, our staff and complex is not designated as an "Assisted Living" community. This means, you **MUST** call 911 if you have an emergency issue, such as falls, and medical/health emergencies. Please do not call the after hours maintenance phone, as we are not allowed to assist.

Thank you for choosing Castle Vista as your home.
