Feel at Home Where you Are...

Heritage Hill is a personal care and memory care community that embraces life and possibilities at every age.

In our beautifully appointed common rooms opening onto spectacular views of the Pocono Mountains, residents enjoy an environment that provides all the comforts of home, plus the support of round-the-clock, trained caregivers.

When you or a family member require assistance with the daily activities of life, come to the place our residents call home. A place that feels like a happy, welcoming home....because it is!!

We encourage families to visit often and to participate in our activities and special events. We take pride in every last detail that goes into making our community a loving home for our residents. Please come visit us and discover what it means to be at home at Heritage Hill.

Success Stories...

My family and I visited several places and decided on Heritage Hill. Of all the places I toured, I was most impressed with the way the community is layed out. The staff is super friendly! I like that everyone there refers to it as a senior community and not a facility. I visit my father several times a week and have meals with him and each and every time everyone is friendly and helpful. My dad is not a social person but he is definitely happier since he moved in. This is a difficult decision for any child to make, but I know he is safe and very well cared for.

Q & A

Q: Are visitors allowed at any time, or are there specific visiting hours?

A: Yes, for the well being of our residents we do have specific visiting hours between 9:00 a.m. and 9:00 p.m.

In the "Spotlight" October Resident of the Month Mary Brazzo

Heritage Hill Senior Community is pleased to announce that Mary Brazzo has been named as Resident of the Month for October 2019.

Mary Brazzo, daughter of Anna and Michael Hollick was born on 9-2-1923 in Beaver Meadows. She is the oldest of seven children, 3 deceased brothers, and 3 sisters.

She attended elementary school in Beaver Meadows and graduated from Hazleton Senior High School in 1941. She is a life-long member of St. Peter & Paul's Byzantine Catholic Church in Beaver Meadows and was a member of the choir where her beautiful alto voice added to the beauty of all church services. She stills sings beautifully today.

Mary worked in a knitting mill in Hazleton until she married her husband George. She retired from the mill to help George open and operate George's Variety Store in Beaver Meadows until they both retired in 1980. After retiring, Mary joined the Hazleton Art League where she studied and expanded her artistic talent, especially in floral and scenic oil painting. Mary has been awarded several prizes for her artistic creations. Mary now enjoys the visits of her sister's, nieces, nephews and friends.

Shepherd's Garden Memory Care Corner

A Look back on September...

September was apple month in our Shepherd's Garden. Our baking consisted of delicious apple treats such as cupcakes and bread. To keep with the theme our art projects were apple decorations. During this month we celebrated our friends Mary, Natalie, and Harold with cupcakes for their birthdays. We really started getting into the fall season while decorating our community. Along with our themed activities we continued with our regularly scheduled activities such as bowling, trivia and exercising. September was a great month!!
