## The History & Significance of Veterans Day

At precisely 11 am on November 11th in the United States, massive crowds will begin ceremonies and celebrations in honor of our Veterans. With great gratitude, citizens will honor those who have bravely served our country. What has historically been a day of great significance, remains ever important today.

Veterans Day has been, and remains, a U.S. holiday that honors veterans of all wars. Its history has not been without its changes, however!

In 1918, during World War I, on the 11th hour of the 11th day of the 11th month, hostilities ended between the Allied nations and

Germany - referred to by many as "Armistice Day." The Treaty of Versailles, which marked the end of the war, was signed on June 28, 1919, but the armistice date was the one most considered the conflict's end.

In November of 1919, Armistice Day was observed by many countries with parades, public celebrations, and pauses to business and school activities at 11 am.

Then, in June of 1926, Congress passed a resolution saying November 11 should be

commemorated each year. As of May 13, 1938, Armistice Day was a legal Federal holiday.

Changes were still abound, though. During World War II, more than 16 million Americans served in the Army, Air Force, Marines, and Navy. Another 5.7 million

served in the Korean War. This spurred Veteran's service organizations to lobby for the words "Veterans Day" to replace Armistice Day in honor of the American veterans of *all* wars. In 1954, President Dwight D. Eisenhower signed legislation for the name to be changed.

The day would still see some changes! As of 1971, Veterans Day

was moved to the fourth Monday in October when Congress passed a Uniform Holidays Bill to make Monday "the" day for federal holidays. But as of 1978, due to many states' confusion and disapproval over the change, the holiday was moved back to its original observance date.

And so it goes, Veterans Day continues to be observed on November 11th. That day, and throughout the year, we thank all who have served for our great nation.

**What is the difference between Veterans Day and Memorial Day?** It is a common question. Memorial Day, in May, is dedicated to Americans who have served and who passed away during (or as a result of) serving. Veterans Day honors all Veterans, alive and who have passed.

## Come Meet Amanda!

Meet our Dining Service Director, Amanda Spivey! Along with our dietary team, she keeps our kitchen running like a well-oiled machine! Amanda and her staff make all of our wonderful meals!

Amanda was born and raised in northern California. She got into cooking during high school in a restaurant occupations class. Her first cooking job was at a diner in Arcata! That is where she met her husband Mike. They dated for 4 years and married. After taking off a few years to raise their two children, son Justin and daughter Taylor, Amanda cooked at elementary schools. Her husband Mike then took a job in Oregon, where they moved to our great town of Medford! Their children are not the only great members of their family! They have dogs, Jake and Isabel, and a cat Ozzy! As a couple, Amanda and Mike love to go target shooting! They have collected an array of target practicing equipment over their 17 year marriage! Some of Amanda’s favorite foods are Rice Crispy treats, Mexican food, and Diet Coke. Her favorite color is blue. She enjoys 80’s movies, the show “Master Chef” with Gordon Ramsey, and the movie “Indiana Jones and the Temple of Doom!” When you have a chance, stop by the kitchen and say hi to Amanda!

## Come Meet Eunice!

Eunice was born in Cabin Creek, Montana, to her wonderful parents Herbert & Edna King. When she was 3, her

family moved to Oregon, where she grew up in Eugene, Corvallis, and Dallas! When she was in high school, at 15, she met a young man named Ted Jensen. They dated and then he asked her to marry him! They married when she was 18 and he was 20. She worked at a local telephone company as an operator in Corvallis. Ted started his own business the “Jensen Logging Company” and hauled logs for about 2 years as she kept the books. They had two boys, David and Donald! Her husband Ted got a job in Happy Camp, CA, where they decided to move. When her David was in 4<sup>th</sup> grade, they moved back to Oregon and to our wonderful town of Medford! They kept their California home where they would spend several months of the year. They would travel back and forth during the year. Ted passed away when their son Donald was a senior in high school. A few years later, she sold the business. She met her second husband Jay and married him 3 years later.

Today, her son David has his own business in Merrill Oregon, renting portable toilets. He branched out to Medford, where Mrs. Eunice worked in the office until he decided to sell that branch! Jay had his own Sporting Goods store and he closed it and retired to spend time with her. Later, he became ill and passed away. After that, she spent time in California helping take care of her grandchildren for a few years. She decided to move back to Oregon to be closer to her daughter-in-law and the rest of her family! And then she moved to Barnett Woods! We are so glad to have her here!
