

A Letter from our Executive Director

Greetings, Vista Gardens Family!

My name is Shannon Hundley and I am thrilled to have joined the amazing Vista Gardens team as the Executive Director. Over the past few weeks I have grown to love our residents and the family members that I have been fortunate enough to meet. My absolute goal is to work collaboratively with each department to provide the best possible care to our residents and families.

I started working in long term care at the age of 16 and immediately found my life's passion. I have held several positions within the industry, including working in the kitchen, caregiving, medication technician, and business office director before obtaining my bachelor's degree in Healthcare Administration and Nursing License in 2001.

I am very excited to be a part of this team and I look forward to meeting everyone. Please reach out to me at any time to say hello and I look forward to meeting and getting to know all of you.

**Sincerely,
Shannon Hundley**

Management Team

We are very glad to meet you!

Resident Spotlight

Julie Suor

Julie is one of our most energetic residents. She loves to be outdoors walking and harvesting in our garden. Upon returning she assists with sorting and washing all the delicious fruit and produce that is collected. She enjoys going out for a ride on the bus, arranging flowers for our Dining Room and being helpful to staff and friends.

Julie was born and raised in Portland, Oregon and is the mother of 2 sons, David and Mike. Her hobbies included watching L.A. Clippers basketball games and travelling. A favorite destination was the Amalfi Coast.

Julie, we're so happy to know you!

Daylight Savings Ends
