HAWTHORN
SENIOR LIVING

State Fair of Texas

A highlight for us all is going to the Texas State Fair! We went on Senior Day, so we got in for free! We enjoyed our corny dogs and other fair foods! The dairy building is one of the best ones. We loved seeing the butter statues made out of 1,000 pounds of butter!

Louise, enjoying her corny dog!

A beautiful day at the Fair!

We're excited!

Resident Spotlight: Yvonne Slaughter

Sisters! Yvonne is on the left.

Yvonne in her 30s

District. In 1980, her daughter, Cathy, and Yvonne opened a kitchen gourmet shop in Goliad Place. Yvonne really enjoyed the business, as she loved to cook. After selling the shop, she served as church treasurer and was involved with the Methodist women's yearly bazaar.

Yvonne is blessed to have 11 grandchildren and 8 great-grands! Fun facts that most people do not know: her sister, Bette Graham, invented Liquid Paper, and Yvonne's nephew, Michael, was one of the Monkee's!

Yvonne has been a resident at Liberty Heights since September 2018, and has enjoyed meeting new people each day!

Yvonne Slaughter was born in McKinney, Texas, on May 29, 1926, and lived in Lake Worth, Texas. Her fondest memory of her early years was fishing with her mother on the pier in the backyard! Her mom tied a string around Yvonne's finger and made a hook from a straight pin. They caught perch and it was so much fun!

Yvonne lived in Fort Worth and Dallas, but moved to San Antonio for most of her school years. She attended Alamo Heights through the eighth grade, and played the lead in the eighth grade play. They moved to Houston and Yvonne graduated from San Jacinto High School. At that time, high school ended after 11th grade. She attended North Texas State Teacher's College, which is now the University of North Texas, where she met her future husband, Earl Slaughter, in freshman English class. He went on active duty for World War II at midterm, and after his return, they were married and moved to Austin, where he attended the University of Texas Pharmacy school.

After graduation, Earl and his cousin, Ellison, purchased Rockwall Drug and they moved to Rockwall in 1952, where they raised five children. Yvonne was involved in several activities, including the Friday Study Club and numerous church committees. She was also a substitute teacher in the Rockwall School

Family vacation in Colorado

Yvonne is a ray of sunshine!

A special visit from John Wayne!

Chef Tony joined in on the line dancing!

Look'n good, Bennie and Vincent!

Boot Scoot'n Boogie!

We had a wonderful turnout for our western hoedown! The food was fantastic and the entertainment was outstanding! Everyone looked so nice in their western attire.

A huge thank you to everyone who helped make this a memorable event!

Cowgirl Louise!

Guess Who?

Who is this mystery couple? If you know who it is, stop by Julie's desk in the Activity Room for funny money!

Meet Chef Tony, Our Executive Chef!

Chef Tony was born and raised in Miami, Florida. When he was a small child, he had a very strong attraction to the things created in his mother's kitchen. At

Working his magic!

the age of seven, he finally convinced her to show him different things that she did, and very quickly, he became her assistant with the cooking duties. Although this was very fascinating to him, his first love was the arts. He studied classical dance, piano and theater from his youth until graduating high school. Upon graduation, he spent that summer in New York City studying at the prestigious Dance Theater of Harlem. That short but important training set the tone for his dance career. He traveled the globe performing for thousands of people and meeting many different and interesting people. He went from dancing to singing to acting. His most memorable job was performing as Electra in Andrew Lloyd Webber's "Starlight Express" in Las Vegas. Having his name in lights was great; but he still had that nagging feeling remaining from his childhood: Culinary Arts. After hanging up his dance shoes for good, he put himself through culinary school and worked full-time at night. Once he graduated, he landed his first job as Chef Tournant/Food Ambassador at the Paris Hotel and Casino. He took that job very seriously and continued to thrive. He knew there was more to the culinary world, and set out to explore different avenues to utilize his love for food. That exploration took him to Massachusetts as Executive Chef of an independent senior living community in the beautiful Berkshires. There is where he knew he wanted to be. He has opened new communities and has been Regional Chef of two companies, including Hawthorn Senior Living. Now that his family has expanded, he decided it was time to leave traveling behind to focus on his new son. He is excited about his new responsibilities as Executive Chef here at Liberty Heights.

The Catwalk

Our fall fashion show was awesome! We had over 20 residents volunteer to be models, and they put on a wonderful show! Peggy Myers did a wonderful job as the emcee. We even had a model wear one of our paper skirts we made out of old maps! We already had several residents say they want to be in the next fashion show in the spring!

First Responders Appreciation!

Rockwall is blessed to have such amazing first responders!

We wanted to show our appreciation by having a gourmet breakfast buffet! Our incredible Chefs put on a fantastic spread, with a brisket taco bar, delicious pancakes with blueberry syrup infused with vanilla, deluxe scrambled eggs, egg muffins, sausage and fresh fruit. The first responders said this was the best breakfast they've ever been invited to attend!

We know their jobs are extremely difficult, and we are so grateful for each one who protects and serves our wonderful Rockwall community!

Check out those bikes!

Good looking gentlemen!

Yum!

Lucky ladies!

It's fun getting to know our first responders!
