## Terri Fisher Was Surprised By Her Daughter From New York

Terri Fisher's daughter came all the way from Staten Island, New York, to surprise her and sing for her birthday. There were other family members and friends who attended. She got to see her grandson, which brought tears to her eyes. Her daughter made arrangements for her to reunite and be with her best friend from childhood. They got to enjoy spending a couple days together!

## Celebrating Breast Cancer Awareness Month By Wearing Our Pink!

Our residents dressed up in their pink to help celebrate our eight residents who have survived breast cancer. We gave each lady a pin and had them stand at lunch time. This is something to celebrate!

*Pink Day*

## Bowling Outing to Victory Lanes

We took some residents out to bowl and out to lunch to Outback Steakhouse. Luwanna beat us all. She is 92 years old and used to be in a bowling league.

## Overnight Ladies' Trip to the Mountains

We took a ladies' trip and spent the night in a big house in the mountains with plenty of room for everyone. We visited the popular Moses Cone House that has a great view of the mountains in Boone, North Carolina.

We did lots of shopping at the outlet stores. We even stopped for apples and apple cider on the way home. One of the ladies (Jane Hess) had never been to the North Carolina mountains because she was from Illinois. She really enjoyed it, talked about it a lot and was glad she went.

## Marriage Pictures

We like to show off our residents' marriage pictures, as it gives us a chance to see them in their younger lives.

## Resident Spotlight: Mike Andochick

Mike was born in McKeesport, Pennsylvania, but he lived in West Virginia most of his life, where he was mayor in Weirton, West Virginia. He went straight to the Air Force instead of college and served for four

years. He and his wife had seven daughters. She left this life nine years ago.

Mike spent over 40 years dedicating his life to volunteering in helping disabled adults and children. This was one of his favorite things he enjoyed in life.

His favorite NFL team is the Pittsburgh Steelers. He has liked them since he was a little boy!

## Making Fall Wreaths

We had Home Careolina come make fall wreaths with the residents. They brought a special guest from the Charlotte area to make bows for their wreaths. They worked very hard on these wreaths. It put us in the fall mood, even though the weather was still very hot.

*GeorgeAnn is proud of her wreath.*

## Veterans Day Is Monday, November 11th

Veterans Day, formerly known as Armistice Day, was originally set as a U.S. legal holiday to honor the end of World War I, which officially took place on November 11, 1918. In legislation that was passed in 1938, November 11 was “dedicated to the cause of world peace and to be hereafter celebrated and known as ‘Armistice Day.’” As such, this new legal holiday honored World War I veterans.

In 1954, after having been through both World War II and the Korean War, the 83rd U.S. Congress — at the urging of the veterans service organizations — amended the Act of 1938 by striking out the word “Armistice” and inserting the word “Veterans.” With the approval of this legislation on June 1, 1954, November 11th became a day to honor American veterans of all wars.

In 1968, the Uniforms Holiday Bill ensured three-day weekends for federal employees by celebrating four national holidays on Mondays: Washington’s Birthday, Memorial Day, Veterans Day and Columbus Day. Under this bill, Veterans Day was moved to the fourth Monday of October. Many states did not agree with this decision and continued to celebrate the holiday on its original date. The first Veterans Day under the new law was observed with much confusion on Oct. 25, 1971.

Finally on September 20, 1975, President Gerald R. Ford signed a law which returned the annual observance of Veterans Day to its original date of November 11th, beginning in 1978. Since then, the Veterans Day holiday has been observed on November 11th.
