We encourage families to visit often and to participate in our activities and special events. We take pride in every last detail that goes into making our community a loving home for our residents. Please come visit us and discover what it means to be at home at Heritage Hill.

Success Stories...

I have spent a lot of time at Heritage Hill over the past few years as I have had two loved ones from different sides of my family reside here—both for different needs and reasons. The staff are always friendly and accommodating from all departments. When you walk in the door, the atmosphere is pleasant and you feel at home. Heritage Hill continues to make efforts every year to improve things from dining experiences to activities and to continued support to their staff. Many employees are the same familiar faces over the years and that means a lot!! Management and general staff are smiling and happy to be at work.

November Resident of the Month
Ann Lesho

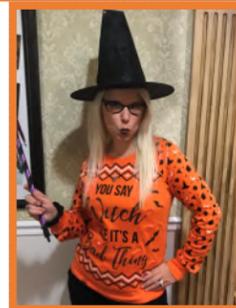

Heritage Hill Senior Community is pleased to announce that Ann Lesho has been named as Resident of the Month for November 2019.

Ann Lesho, native of White Haven, celebrated her 90th birthday this past July with her family and friends. She was the former Ann Okrasinski, daughter of Julia and Chester Okrasinski, who immigrated from Poland. She was born in Wilkes Barre and is the youngest of 6 children. Ann moved with her family to White Haven as a young child where she lived all her adult life.

Prior to graduation at Foster Township High School, she worked at White Haven Sanitarium. After graduation, she held many jobs including White Haven Dress Factory, White Haven Wreath Factory, Tung-sol Factory in Weatherly, RCA in Mountain Top, and finished her career and retired from the White Haven Center.

Ann was happily married to George Lesho of Eckley for 61 years. They were married at St. Patrick's Catholic Church in White Haven. Ann's daughter Carol Tucker and her husband Thomas reside in Chesapeake VA. Ann has twin grandchildren, Nicole and Jared, who also reside in VA.

Two of her favorite sports that she participated in was softball where she played first baseman for the White Haven Women's Softball League and golf as a member of the Liberty Bells Golf League. After retirement, she enjoyed traveling across the United States with family and friends visiting the National Parks and taking in the sights of nature's countryside. Ann's favorite past time was watching her grandchildren grow up and spending time at the beach in the Outer Banks, NC.

Shepherd's Garden Memory Care Corner

A Look back on October...

This month the residents of Shepherd's Garden tested out their baking skills for a wonderful cause. We made delicious cupcakes that were sold to benefit the Alzheimer Association. Halloween was also celebrated during our resident party with the costume theme of superheroes. Some of our wonderful residents also enjoyed handing out candy during our Safe Trick or Treat Night. During October, we continued our usual baking on Monday and Wednesdays. We tried out recipes for cookies and cupcakes. Along with baking our residents also continued with their creativeness and made fall and Halloween decorations. It was a great month!
