# Walk in Their Shoes

## *A Dementia Perspective*

**Do you know what Dementia looks like? Join Anthology Senior Living for a Dementia Perspective tour to see, hear, touch and feel the effects and walk in their shoes.**

During the Dementia perspective, trained facilitators guide participants outfitted with patented devices that alter their senses while they try to complete common everyday tasks and exercises.

The Tour enables caregivers to experience for themselves the physical and mental challenges those with dementia face, and use the experience to provide better person-centered care.
