

Dawn Coggins

*Senior Vice President,
Property Management*

Dawn Coggins is a Senior Vice President of Property Management and is responsible for overseeing the overall management and operation of CAPREIT's portfolio throughout the United States. Ms. Coggins is responsible for the oversight of all property management initiatives to promote optimal performance throughout the portfolio, and provides strategic leadership and oversight of all activities, including property operations, financial planning, product marketing, staff selection and management. Ms. Coggins received a CAPS (Certified Apartment Portfolio Supervisor) designation from the National Apartment Association (NAA). Prior to joining the company in 1994, Ms. Coggins was employed by CRI where she served as a property manager on several communities.
