

HUNTINGTON TERRACE

Receives “Best of 2020” Award from
SeniorAdvisor.com for Excellence in Assisted Living

MBK Senior Living is pleased to announce that Huntington Terrace has been selected as Best of 2020 Award winners on SeniorAdvisor.com, the largest ratings and reviews site for senior care and service. Huntington Terrace is one of eight MBK Senior Living communities to be named “best” by SeniorAdvisor.com.

Companies offering independent living, assisted living, in-home care, skilled nursing or memory care in the United States or Canada are eligible for the award. To qualify, they must maintain an average overall rating of at least 4.5 stars, have received four or more reviews, and received five new reviews on SeniorAdvisor.com during the award period (November 17, 2018 to October 18, 2019).

“We strive daily to practice compassion, deliver high-quality care and stay attuned to residents needs and preferences,” said Jeff Fischer, president of MBK Senior Living. “One way in which we know we’re achieving this goal is through customer reviews. It’s wonderful to hear what an impact we’ve made in residents’ and families’ lives, and are honored to be recognized by SeniorAdvisor.com for our efforts.”

This is the 7th year SeniorAdvisor.com has recognized senior living and home care providers who receive consistently high ratings and positive reviews from their residents, families and visitors. The annual SeniorAdvisor.com Best of Senior Living Awards tabulates

over 240,000 family created reviews to find the highest quality care providers for this honor. Of the nearly 45,000 communities currently listed on SeniorAdvisor.com, just over 950 were recognized with this prestigious award.

During the award period, Huntington Terrace received numerous 5-star reviews from residents and families.

Some of the shared experiences and raving reviews from prospects, residents and families included:

“From the moment I previewed Huntington Terrace, I knew it was where my mom needed to be. Lucky for us, there was an opening at the right time. All of the staff at Huntington Terrace are kind and professional. Every request is heard and every need met. The community and rooms are clean and well take care of. I am very happy that this is where my mom calls home. I know she is safe and cared for with respect

and dignity. I visit frequently, most often unannounced, and the care is always the same, exceptional!”

“Two staff present all the time. Very caring. I visited five

communities before selecting this one, and Huntington Terrace was the cleanest, and most impressive. They have been on top of any and all medical issues and communicate often and timely with me for any issues concerning my sister’s needs.”

“I thoroughly enjoyed my tour of Huntington Terrace today. The staff was extremely friendly and went out of their way to make me and my daughter-in-law feel welcome. I especially liked the green belt areas where I can visualize sitting and enjoying the weather. I also like the pool where they have water aerobics for the residents. It is very dog friendly and there is plenty of room to walk them without having to leave the apartments.”
