Travel to China – 1/31

A Note From Our Director

I hope everyone had a blessed Christmas with their friends and loved ones. We had such a great time in December celebrating Christmas and what a great time to share our joy with others. I am so excited about 2020 and the new year that awaits us all. This is a great time to think of New Year's resolutions or things that you want to do differently for the New Year's. We have some really great events this month and lots of exciting changes happening here at Moran Vista. Some of the great activities that we have this month and encourage residents to go to are a New Years Party, Cold and Flu Seminar by Family First, and a Subway luncheon. We have these great outings this month so please join us for the following Senior Froggy, The Chelat Restaurant, and Round Table Pizza. I also want to let all residents know to be part of our new employee appreciation program. Every month we will select one employee from all departments that have went above and beyond. We will have a special board for them so if you know of anyone in nursing, kitchen, housekeeping, activities that is going above and beyond please let management staff know or fill out a praise for applause form for them. We have some exciting kitchen news that I have shared with all of you Michael Wieber is now the new dietary manager and he will do so great! We are excited to have him to the team as he has been working with us for 10 years already! Please congratulate Mike and I am excited for the upcoming food changes you will see in 2020! Lets have a great New Year's everyone I wish you all good health and spirits. Remember Love is the strongest medicine.

*Blessings,
Andrew Steighner*

Employee Spotlight ~ Christie
