Executive Director Corner

Welcome
to March!

It's hard to
believe that

springtime is already on the horizon. It seems like just yesterday that we were ringing in the New Year, and now we're well into our journey through 2020. If you're sentimental like I am, ask a member of our team about our Artisans program, where regular scrapbooking can help you capture and cherish precious moments as they come.

Recently, we kicked off our Mystery Theme Year with our Willy Wonka Theme Week and Themed Dinner. From Oompa-Loompas to Gene Wilder doppelgangers, it was amazing seeing everyone take a tour of our campus-turned-chocolate factory. Getting to try the Gobstopper Cake with new and familiar faces was a personal highlight of mine, and has satisfied my sweet

tooth for the foreseeable future. Thank you to our Life Enrichment and Dining Services teams for putting together such an incredible event!

Finally, in honor of National Employee Appreciation Day (March 6th), please join me in thanking all our teams for their part in our recent Theme Week, and for always striving to make each day more memorable than the last. While seeing to your immediate needs will always be their highest priority, our employees also believe in hearing your stories, celebrating your passions, and filling your days with joy.

It's been a great year so far, and I can't wait for you to see what we have planned for the weeks and months ahead. Until then, if you ever need anything, you always know where to find me!

Yours in Service,

Mark Howard

Executive Director

work butter into the flour mixture until it resembles small pebbles. Add currants and toss to coat.

Step 3: Whisk buttermilk, maple syrup and egg in a medium bowl until blended. Add the wet ingredients to the dry ingredients and stir just until combined; do not overmix.

Step 4: Transfer the dough to a clean surface and, using floured hands, press into a 6-inch circle. Cut into 10 wedges. Place the wedges in a single layer on the prepared baking sheet.

Step 5: Bake the scones until golden brown, 16 to 18 minutes. Transfer to a wire rack to cool completely, about 30 minutes.

Step 6: Meanwhile, prepare the glaze: Combine confectioners' sugar and orange juice in a small bowl. Spoon the glaze onto the cooled scones and serve immediately.

Need a hand getting started? Talk to any member of our campus team for assistance, then ask about our **Connections** program, which offers our residents the opportunity to participate in cooking classes with their neighbors!
